

Submitter: Robert Roholt

On Behalf Of:

Committee: Joint Interim Committee On Transportation
Funding

Measure, Appointment or
Topic: LC 2

As a life long Oregonian who is now retired. I am tired of this administration continually raising taxes and fees. We have given enough. You have plenty. Remove all funding to illegal aliens. Remove all DEI funding.. Fire all the persons on the states payroll that are excessively paid. Audit all the departments especially the department of transportation.
