Measure, Appointment or
Topic: LC 2

I don't see a bill that I am testifying against. I thought that the Legislature already decided NOT to put a bill forward on increasing taxes.

This is for the selected Governor or whoever is using undue influence or bribery on the Legislators:

Article 1, section 32 of the Oregon State Constitution:

"No tax or duty shall be imposed without the consent of the people or their representatives in the Legislative Assembly; and all taxation shall be uniform on the same class of subjects within the territorial limits of the authority levying the tax."

And article 9, section 3 of the Oregon State Constitution:

"No tax shall be levied except in accordance with law. Every law imposing a tax shall state distinctly the purpose to which the revenue shall be applied."

This is for the Legislators: YOUR ONLY DUTY IS TO SECURE OUR GOD GIVEN RIGHTS, ENUMERATED IN OUR CONSTITUTIONS! If this hurts/ harms Oregonians, WHICH IT DOES, you are ABUSING the granted PRIVILEGE of creating bills! FULL STOP!
