We live in Wilsonville , work in West Linn, and I am deeply concerned about the transportation tax bill. Families like mine are already stretched thin. Any additional taxes and fees would make daily life unaffordable. The looming Tolls are also a big impact we must consider in our budgeting. Like my family has had to, ODOT must also tighten its belt. ODOT should refocus their spending and prioritize keeping Oregonians safe on the road. There are so many items that cost taxpayers excessively, like redoing handicap sidewalks on 82nd Avenue when they were already in place and never used! Look for cost measures that make sense. Please consider alternatives that don't financially punish Oregonians.
