Committee: Joint Interim Committee On Transportation  
Funding

Measure, Appointment or  
Topic: LC 2

I am an employer in Fairview, OR, and I am deeply concerned about the transportation tax bill. Families like my employees are already stretched thin with an abundance of taxes. Any additional taxes and fees would make daily life unaffordable. Like my employees and company has to do, ODOT must also tighten its belt. ODOT should refocus their spending and prioritize keeping Oregonians safe on the road. Please consider alternatives that don't financially punish Oregonians."
