

Submitter: Francine Henzel

On Behalf Of:

Committee: Joint Interim Committee On Transportation  
Funding

Measure, Appointment or  
Topic: LC 2

Dear Committee on Transportation Funding members:

I oppose the transportation bill introduced during the special session that would drastically raise fees and taxes. Oregonians CANNOT AFFORD to pay even more for the gas tax, registration fees, title fees, and payroll tax. Please adjust the transportation budget to prioritize maintaining safe roads. Instead of increasing taxes and fees, spending must be decreased!

Sincerely,  
Francine Henzel
