Funding

Measure, Appointment or  
Topic: LC 2

I'm absolutely a "NO" vote on any gas tax and any of the other taxes that fall under this 8/25/25 at 3:00 pm meeting today. You failed on the budget! Fix the budget and stay inside the lane and stop gouging taxpayers with your failures to stay within the budget as outlined. Taxpayers are fed up! I'm a solid "NO" vote!
