Please vote no on any additional taxes to raise more money for transportation and stand up for Oregonians. Instead, do what all Oregonians are doing and take a hard look at what you are currently spending money on and make cuts. If it doesn't have anything to do with maintenance of roads it should not be in the budget. If you need help finding areas to cut expenses, open ODOTs books and ask for input on things that should be cut. I'm sure taxpayers could help you find areas that their hard earned tax money could be saved or used for things that tax payers want. Take a stand for your constituents and vote no on any further tax increases.
