Hoping this is not falling on DEAF EARS!
PLEASE PLEASE PLEASE REHECT the proposal by our Govenor for funding
ODOT.

You did the right thing at the end of the regular session so DO THE RIGHT THING
AGAIN.

ODOT has the money, they need financial management not putting hardships on
hard working Oregonias just trying to make a living.

There is no need to raise our gas tax, registration fees etc. As proposed by the
governor. ODOT, needs to look within themselves and find the money without
threatening layoffs and no maintenance.

Before any money is allocated a complete audit by an impartial, non politically biased
group needs to take place. This needs to be done with total access to all records,
emails, payroll etc. available to the group doing the audit, no leaf unturned.

Comman sense needs to prevail, not politics at this time. There is a lot of waste
WITHIN ODOT, scraping that waste will rectify the issue, along with salary reductions
at the top of their food chain.

NO MORE TAXES, NO MORE FEES. SOUND MANAGEMENT AND NO MORE
POLITICS AND GAME PLAYING.
