Funding

Measure, Appointment or  
Topic: LC 2

I adamantly reject this entire plan. Mismanaged funds from previous taxes should not be placed on our shoulders. Shame on our leaders! We must vote it down. Kotek and her minions need to clean up their own backyards, not ask us to do it. Southern Oregon is predominantly RED and we resent anything coming out of Salem that's not in our best interest!!!! NO ON THE TAX HIKE!!!
