

Submitter: Marita Ingalsbe

On Behalf Of:

Committee: Joint Interim Committee On Transportation
Funding

Measure, Appointment or
Topic: LC 2

Hello Legislative Committee on Transportation Funding,
I am in support of Legislative Concept 2 which will be introduced on Friday. This proposal provides the minimum funding needed to maintain core services while increasing accountability of the Oregon Department of Transportation. It will be a good foundation for the changes and improvements that will be needed in the future.
Thank you,
Marita Ingalsbe
