

Submitter:	Rachel Nordenhok
On Behalf Of:	Community
Committee:	Joint Interim Committee On Transportation Funding
Measure, Appointment or Topic:	LC 2

Dear Joint Interim Committee,

I and many others are extremely concerned about this 'special session'. We are also opposed to your tax increases. Please do not let this go through, and please email me your reason and rights to have such a meeting where there is no public debate or hearing. We opposed your tax hikes, and this is absolutely outrageous.
