Measure, Appointment or
Topic: LC 2

Please use what we are already giving you to do what needs to be done for Oregon roads. You need to re-prioritize. My husband was laid off from his job at 564, our water and electricity rates have gone up over 10% this very month along with property tax and insurance rates. We are trying to be good citizens, but I'm beginning to feel like livestock on a tax farm.
