

Submitter: Heather Eldridge

On Behalf Of:

Committee: Joint Interim Committee On Transportation
Funding

Measure, Appointment or
Topic: LC 2

- Please support LC2 and pass this transportation package
- It is important that you pass this package to fund ODOT and keep our transportation infrastructure running
- This bill will modernize trucking's taxing methodology, bringing it into the 21st century
- After years of unfair overpayments by trucks, this bill will simplify the existing weight-mile taxation system and create more fairness, transparency and equity in the way we tax trucking
