I do not agree that we need additional taxes to maintain our roads system. The State of Oregon needs to do a comprehensive review and audit of the system. This bill increases taxes for Oregonians and is unsustainable. In the current economy Oregonians cannot support the disparity in taxes outlined by this bill. Our state is vast and increasing gas taxes, registration fees, doubling the state payroll tax to fund ODOT is unsustainable for Oregonians. I am against this tax increase on working Oregonians.

Thank you,
