Why would this help anyone other than government? Older people are having trouble paying their outrageous electric bills and having their food stamps cut but you want more money for a dept that cannot stay within their budget? Does this make sense? Will you give the older people money to make up their budgets? I think that there should be a audit done on this dept. By an out sourced auditor. Not one you appoint. I am tired of government offices going over budget and then making us make up the difference. Do you want all of us to move out of state? I know sooo many people have already left for Montana and Idaho. I was born here..lived here all of my life..but you are forcing me to move elsewhere. Clean up your own backyard before you invade any more of ours. NO NEW RAXES OR ANY MONIES HANDED OVER TO ANY OVER BUDGET DEPARTMENTS!!! NONE!!!!
