Committee: Joint Interim Committee On Transportation
Funding

Measure, Appointment or LC 2
Topic:

There are ways around the ODOT problem that do NOT include the very high tax the Governor is seeking. Listen to your Republicans' ideas.

If this next round of voting passes, I will move out of this state! I am not happy with the taxes and costs of living in Oregon. The vote on the 29th, if it passes, will be the straw that breaks the camel's back. DO NOT Pass THIS BILL.
