"No New Road Tax."

The saying "Insanity is repeating the same mistakes and expecting different results" can be applied here. ODOT managed to make a sizable amount of money disappear without a single trace, which I know is possible in the government.

Placing taxes on the citizens of this state for ODOT's "magic act" is just lunacy. How about some accountability for their mistake so it doesn't happen again, and the people of Oregon aren't left with empty pockets?

Show some integrity, SAY NO!
