

Submitter: Thomas Davis

On Behalf Of:

Committee: Joint Interim Committee On Transportation
Funding

Measure, Appointment or
Topic: LC 2

Dear Legislators,

Again, State leaders are not being careful or frugal with tax dollars they have receive from us. Please make an effort to come to a fair bi-partisan solution to funding and improving our highway system in Oregon. Yes, it needs to be a sensible and accountable solution. Please, no new road taxes.

Sincerely,
Thomas Davis
