Committee:	Joint Interim Committee On Transportation Funding
Measure, Appointment or Topic:	LC 2

To the Committee,

I absolutely LC2.

You need to find funds from some other source then the Oregon Taxpayer.

Funding of core ODOT functions is critical, But there is nothing but more waste in LC2.

There were several areas of excessive funding streams pointed out in the hearing on Monday.

I will not support any funding which raises taxes on we the people of Oregon
