

Submitter: Patrick Hendrix
On Behalf Of: No More taxes on the true Oregonians.
Committee: Joint Interim Committee On Transportation
Funding
Measure, Appointment or Topic: LC 2

As a true Oregonian not a California transplant or another political party trying to kill our state, we cannot afford to be bullied by this idiot governor and her clowns by adding taxes to the people of this beautiful state. Stop the fuel and business tax plan to support the poor excuse of mismanagement of our state road department funds.

Sincerely,

Patrick Hendrix a lifetime Oregonian.
