Committee:	Joint Interim Committee On Transportation Funding
Measure, Appointment or Topic:	LC 2

This state cannot afford more taxes. There is not enough accountability in this measure. Public Safety which includes roads should be a top priority for budgeting, not last! Fund ODOT and the true transportation needs first. Then we can talk about the budget shortfalls. Cut the Oregon Taxpayer money to illegal alien sanctuaries and all out of state residents, cut the Professional Sports stadium for \$8 billion dollars. Then we can talk about the true needs of the budget, not the wants!! Fund ODOT and the true needs of the transportation department without taking our hard earned money. You say the payroll tax will only be \$10 more dollars. That's MY \$10 more dollars. My 2 gallons of milk. My hamburger. MY Choice. Not for you to take along with 30% of my pay!
