I am a native Oregonian retired and living on a fixed income. My wife and I have sacrificed, worked very hard and tried to plan wisely for our retirement years. We love Oregon but we are being hit by increased fees,taxes,and other high costs that may force us to look at a more cost friendly location. I urge our state representatives to tighten the states belt a little more and give we seniors some relief. Please do not raise our cost of living any more. Thank you.
