

Submitter:	Geoffrey Geoffrey
On Behalf Of:	self
Committee:	Joint Interim Committee On Transportation Funding
Measure, Appointment or Topic:	LC 2

I strongly urge the Committee to find a route to a bipartisan bill that imposes real accountability on ODOT. ODOT repeatedly has demonstrated that, without accountability, it will misdirect hard-earned tax dollars to pet projects rather than to citizens' actual needs. Taxation without accountability flies in the face of Oregon's great tradition of open and honest government.

Thank you.
