NO NEW ROAD TAX

Oregonians do not need additional taxes. Instead, Oregonians need a state government that works. Oregon Payroll taxes, income taxes, local payroll taxes, family medical leave tax, CAT tax, property taxes, personal property taxes, gas taxes, fuel taxes, tobacco taxes, alcohol taxes, and the list of taxes goes on. WE DO NOT NEED OR WANT MORE TAXES

Those who pay fuel tax and gas tax are already paying for road maintenance or at least we should be. Where are those funds?

If there is a tax to be had it should be focused on electric vehicles who currently drive the same roads fuel and gas drivers currently pay for but yet they are paying nothing.
