No new road tax!

Please make ODOT become responsible with funding that comes from all of us hard working Oregonians!.

Stop spending maintenance funds on ANY OTHER PROJECT!

If you do not have snow plows running in the winter, the West side will have a supply issue, and residents of the East side will have many closed roads in the winter.

It is completely unfair to have every single other department under the state of Oregon provide payroll taxes to ODOT.

Fund ODOT properly, remove individuals who have improperly used funds, and hire individuals who will operate the department properly. .
