

Submitter:	Suzanne Thorson
On Behalf Of:	
Committee:	Joint Interim Committee On Transportation Funding
Measure, Appointment or Topic:	LC 2

Please pass the transportation package so that our roads and bridges can be as safe as possible for drivers and pedestrians." Or, "Oregon is the lowest-taxed of all the western states in terms of transporation funding. Oregon's 7000 bridges are getting old and desperately need repairs or replacement. We can't keep kicking this can down the road.
