

Submitter:	Dennis Saunders
On Behalf Of:	
Committee:	Joint Interim Committee On Transportation Funding
Measure, Appointment or Topic:	LC 2

Please no new road tax.

This affects every driver in Oregon, especially those on a fixed income, such as retirees.

Retirees do a lot of volunteer work for the community, such as "Meals on Wheels" and this will increase the cost to provide meals to those most in need.

It will also hurt those wishing to explore Oregon, making it less affordable to do so due to increased cost of taxes.
