

Submitter:	Jeanne Linscheid
On Behalf Of:	
Committee:	Joint Interim Committee On Transportation Funding
Measure, Appointment or Topic:	LC 2

Please do not approve this bill. It will hurt my husband and I financially. Increases in gas taxes should be approved by a vote of the public. Increases in licenses and title transfers should reflect actual increases in the costs of administering the process, not to allow future project funding.

Please improve our existing infrastructure, including bridge improvements, pavement overlays as well as roadside maintenance such as vegetation management and drainage ditch cleaning.
