NO NEW TAXES! LC 2
Stop ramming taxes down our throats!

High taxes are already killing the people of Oregon!

There comes a time when we, as a society, must decide what we will, and will not, tolerate.

This bill has a long list of new taxes that will negatively affect all Oregonians, and we say, NO to all of them!

Huge gas tax increases, ridiculous title and registration fees & even expanding how much is taken out of our paychecks, etc, etc, etc..

This is a TAX RIP-OFF!

We will not look away.

Past spending records prove that our Representatives in Salem, DO NOT SPEND MONEY WISELY!

In the past, you've lost large amounts of our tax dollars. Why should we trust you with more money?

This is a fight against tyranny!

The citizens of Oregon say, NO MORE TAXES!

This is the battle for saving the state of Oregon from collapse.

This is a battle we cannot afford to lose.

Please hear us!
Please listen to us!
Please help us!

NO MORE TAXES!
