I oppose new road tax. We do not need any taxes raised. You were given a budget to work with now work with it. All of us Oregon residents have to learn to budget every month with our checks we earn. You should learn how to budget the budget you're given every year. No more taxes. No more raising of taxes. We are all living paycheck to paycheck. This tax raises will hurt the working class. No more raising the cost of car registration fees, titles , tags, & gas tax. It will do more harm to Oregon residents.
