Joint Interim Committee On Transportation Funding: I oppose any increase in funding at this time until the transportation start having more transparency. Over the years I have watch ODOT survey areas over and over again which cost us the taxpayer. Year after year.. I am on a fixed budget and all the tax increase that were voted down previously in the this years legislative session. Were voted down for a reason we the people can't afford all the tax increases that the bill presented. I have to live on a small amount of money and those cost are too high. Please vote any increase down for now. There has to be some responsibilities for our government to handle fund appropriately without misuse.

You are wasting money calling for a special legislative session for something that was voted down.

Vote against any tax increases that for ODOT
