

Submitter: Robin Murphy

On Behalf Of:

Committee: Joint Interim Committee On Transportation  
Funding

Measure, Appointment or  
Topic: LC 2

It is your duty as elected officials to work together for the people that you serve. Taxpayers are at their limits and cannot afford new or higher taxes, especially when there are viable solutions without them. Look beyond yourselves and consider those who work hard, pay their bills and don't have much leftover at the end of the month. Do your job and do right by the people in Oregon. No new or higher taxes.
