I urge you to not increase the gas taxes. My husband and I are both retired and on fixed incomes. The current price of gas is difficult for us to enjoy any travel or even trips within 50 miles for doctors visits and food. We always try to schedule any driving to handle a multitude of purposes. Any increase in taxes will make it this much harder to make ends meet. We live very frugally but inflation has not be kind to us. Please do not raise the gas tax!

Sincerely,

Tom and Treva Crooks
