We say no to more gas and road taxes. We say audit all agencies of Oregon especially ODot. Where did the \$ 1.8 billion they lost go? We say no to Corrupt, Inept and Mentally Ill Governor. We demand accountability of where our tax dollars are going. We say no more taxes to the party in charge who are anti-America American Marxists. These taxes proposed will hurt the lower income and middle income the party in charge says they protect, the party in charge are liars. The propagandist media pushes the party in charge lies. We the people see through this tax scam and have clearly shouted Hell No to any tax increases. The Corrupt and Inept Governor didn't even show up on Monday, but the Unions with their hands out did. The Party in Charge really does hate rural Oregonians because they are pushing for more taxes, but the Party in Charge Governor has even more hatred for rural working Oregonians and really does prove that she is anti-America American Marxist. We have had enough, No More Taxes!
