My name is Steven Johnson. I live in Winston, Oregon, and I am deeply concerned about the transportation tax bill to the point that we will be leaving Oregon. Families like mine are already stretched thin. Any additional taxes and fees would make daily life unaffordable. Just like my family has had to, ODOT must also tighten its belt. ODOT should refocus its spending and prioritize keeping Oregonians safe on the road. Please consider alternatives that don't financially punish Oregonians like myself and my family.
