NO MORE TAXES. We have yet to see an accounting of ODOT's mismanagement of funds. My thought is that Kotek diverted funds to enable Illegals to have drivers licenses, healthcare, and snap cards. I've personally seen illegals cashing LARGE checks at a Winco grocery store. 3 illegals had Government checks, held up our checkout line while additional cash was brought to the checker. \$100's were given and I'm guessing it was about a thousand each. No, they didn't buy groceries. Sick of Kotek and her pandering to illegals while many of her her own constituents are near poverty level.
