I strongly OPPOSE any additional taxes and fees including the proposed increases in gas tax, payroll tax, and vehicle registration fees. Oregon citizens don't have the luxury of simply raising their income to balance a household budget! Rather than use scare tactics to encourage raising taxes on over-burdened taxpayers the Oregon legislature needs to follow common-sense practices and make cuts to balance the budget and meet the needs of Oregon citizens. The last thing Oregon citizens need is more taxes and fee increases.

Please VOTE NO on these tax and fee hikes.
