Committee: Joint Interim Committee On Transportation
Funding

Measure, Appointment or
Topic: LC 2

The proposed increases in the gas tax and registrations will put financial strain on the people most unable to afford them causing irreparable harm to families and individual's. While it will do nothing to improve or repair the infrastructure you claim to want to fund as the funds will not go to existing infrastructure but to failed projects that a small minority of Oregonians benefit from. The citizens of Oregon deserve better from you.
