Committee: Joint Interim Committee On Transportation  
Funding

Measure, Appointment or  
Topic: LC 2

No road tax! Or tire tax! ODOT does not need more money! They need to manage what they already get more efficiently. First, cut the DEI budget to nothing. Second, cut the special projects in Portland. The majority of those projects prioritize projects that help non taxpayers. Once they become contributing citizens to our state they can pay for the transportation they use, just like we pay for ours across the rest of the state.
