

Submitter: Kristine Plass
On Behalf Of: My Family
Committee: Joint Interim Committee On Transportation
Funding
Measure, Appointment or Topic: LC 2

I am a constituent residing in Portland Oregon.

I strongly oppose all of the proposed tax increases coming up for a vote this coming Friday August 28th 2025..

My husband and I are now retired living on a tight budget and cannot afford any more taxes!!! We have already paid more than our fair share our entire lives!!!!

Please consider looking at alternative ways to manage ODOTS finances, increasing taxes is not the solution.
