I do not agree with the new gas tax. Vote NO on the new gas tax.

The last time there was a gas tax it was said that it would go into the general fund, and then they would determine what it is to be used for....where that is taxation without representation, which is against the constitution.

We recently received our kicker tax money back...which means we were severely overtaxed and our earned income tax dollars had to be returned.

We have considered leaving Oregon as we are getting overtaxed, and have recently talked to a realtor.
