No new road tax!!!

I oppose this unnecessary new tax, particularly as it is a task that the legislature is capable of handling. The costs of goods and services are steeply on the rise and will continue indefinitely. With that in mind, modest home owners, like my wife and me, who are a nurse and a teacher, will continue to struggle to make ends meet. I am just grateful we own our home. If we were renters, we would continue to pay more and more to simply keep a roof over our heads, which is the majority of Oregonians.
