No new road tax! The Democrat answer is always tax increases on hard working Oregonians, many of whom are already struggling and are on fixed income. This is not the answer!

Oregon Democrat leaders need to be better stewards of our tax dollars. We need an audit of our budget and to shift state funds away from failed projects, etc.

The cost of living in Oregon is already high. Gas and groceries are expensive. Hiking vehicle registration fees, increasing transportation, gas and payroll taxes, and allowing for tolls in Portland is not the answer and will not help Oregonians.
