

Submitter:	Marlene Pickens
On Behalf Of:	Social security recipient
Committee:	Joint Interim Committee On Transportation Funding
Measure, Appointment or Topic:	LC 2

I am living mainly on Social Security, and can not afford extra taxes and property taxes too. Please vote NO on LC 2.

We the people have had enough unwise spending, give us a break. I don't want to end up losing my property or becoming a drain on state benefits.
