Topic: LC 2

To whom it may concern:

This is in regards to your LC2 bill or transportation tax hike.

This new bill and tax hike is opposed by 95% of Oregonians. Last time I checked you are supposed to vote the way the people you represent in each district. Not the way the governor wants you to vote. Oregon has had its chance to manage its transportation budget better but it has refused. We all need to take responsibility for our leadership choices. The problem should not fall to the citizens to pay for it. Vote NO! Simple as that.

Thanks
