33 **of complying, after January 1, 2017, with the amendments to ORS 653.025 by section 3 of this**
34 **2016 Act. The amount of the credit in any one tax year is computed by calculating a per-**
35 **centage of the net increase in wages paid by a taxpayer to employees of the taxpayer as re-**
36 **quired under the amendments to ORS 653.025 by section 3 of this 2016 Act during the tax**

3 local laws.

4 “(3) If the amount allowable as a credit under this section, when added to the sum of the
5 amount of estimated tax paid under ORS 314.515 and any other tax prepayment amounts,
6 exceeds the taxes imposed by ORS chapters 314 and 317 for the tax year (reduced by any
7 nonrefundable credits allowable for purposes of ORS chapter 317 for the tax year), the
8 amount of the excess shall be refunded to the taxpayer as provided in ORS 314.415.

9 “(4) A nonresident shall be allowed the credit under this section. The credit shall be
10 computed in the same manner and be subject to the same limitations as the credit granted
11 to a resident.

12 “(5) If a change in the taxable year of the taxpayer occurs as described in ORS 314.085,
13 or if the Department of Revenue terminates the taxpayer’s taxable year under ORS 314.440,
14 the credit allowed by this section shall be prorated or computed in a manner consistent with
15 ORS 314.085.

16 “(6) If a change in the status of a taxpayer from resident to nonresident or from non-
17 resident to resident occurs, the credit allowed by this section shall be determined in a man-
18 ner consistent with ORS 316.117.

19 “SECTION 7. (1) A credit against taxes that are otherwise due under ORS chapter 316
20 or, if the taxpayer is a corporation, under ORS chapter 317 or 318 is allowed to a taxpayer
21 that has 50 or fewer employees at any time during the tax year and that, after January 1,
22 2017, pays any employee at or above the state mandated minimum wage required by ORS
23 653.025 (1)(c)(B) and (d)(B) for employers with more than 50 employees that are subject to
24 the state mandated minimum wage required by ORS 653.025 (1)(c)(B) and (d)(B). The amount
25 of the credit in any one tax year is computed by calculating the difference in total wages paid
26 by a taxpayer to employees above that required of the taxpayer during the tax year.

27 “(2) A taxpayer may qualify for the credit allowed under this section if the taxpayer pays
28 the taxpayer’s employees in accordance with all applicable federal, state and local laws.

29 “(3) A nonresident shall be allowed the credit under this section. The credit shall be
30 computed in the same manner and be subject to the same limitations as the credit granted
31 to a resident.

32 “(4) If a change in the taxable year of the taxpayer occurs as described in ORS 314.085,
33 or if the Department of Revenue terminates the taxpayer’s taxable year under ORS 314.440,
34 the credit allowed by this section shall be prorated or computed in a manner consistent with
35 ORS 314.085.

36 “(5) If a change in the status of a taxpayer from resident to nonresident or from non-
37 resident to resident occurs, the credit allowed by this section shall be determined in a man-
38 ner consistent with ORS 316.117.

39 “SECTION 8. (1)(a) As used in this subsection, ‘youth employee’ has the meaning given
40 that term in section 2 of this 2016 Act.

41 “(b) A credit against taxes that are otherwise due under ORS chapter 316 or, if the tax-
42 payer is a corporation, under ORS chapter 317 or 318 is allowed to a taxpayer for the costs
43 of complying, after January 1, 2017, with the amendments to ORS 653.025 by section 3 of this
44 2016 Act. The amount of the credit in any one tax year is computed by multiplying by 15
45 percent the amount of wages paid to youth employees for the first 515 hours worked during

1 the tax year by each employee who is a youth employee. The amount of any wages for which
2 a credit is claimed for the tax year under section 6 or 7 of this 2016 Act shall be excluded
3 from the calculation under this paragraph.

4 “(2) In order to qualify for the credit under this section, a taxpayer must pay the
5 taxpayer’s employees in accordance with all applicable federal, state and local laws.

6 “(3) A nonresident shall be allowed the credit under this section. The credit shall be
7 computed in the same manner and be subject to the same limitations as the credit granted
8 to a resident.

9 “(4) If a change in the taxable year of the taxpayer occurs as described in ORS 314.085,
10 or if the Department of Revenue terminates the taxpayer’s taxable year under ORS 314.440,
11 the credit allowed by this section shall be prorated or computed in a manner consistent with
12 ORS 314.085.

13 “(5) If a change in the status of a taxpayer from resident to nonresident or from non-
14 resident to resident occurs, the credit allowed by this section shall be determined in a man-
15 ner consistent with ORS 316.117.

16 “SECTION 9. (1) A credit against taxes that are otherwise due under ORS chapter 316 is
17 allowed to a taxpayer if:

18 “(a) On other than a joint return, the taxpayer’s total reported wages for the tax year,
19 when divided by hours worked by the taxpayer, do not exceed the state mandated minimum
20 wage required under ORS 653.025; or

21 “(b) On a joint return, the sum of the reported wages of both taxpayers, when divided
22 by the sum of hours worked by both taxpayers does not exceed the state mandated minimum
23 wage required under ORS 653.025.

24 “(2) The credit allowed under this section shall equal the taxes that would otherwise be
25 imposed under ORS 316.037, prior to the calculation of any other credit.

26 “(3) A nonresident shall be allowed the credit under this section. The credit shall be
27 computed in the same manner and be subject to the same limitations as the credit granted
28 to a resident.

29 “(4) If a change in the taxable year of the taxpayer occurs as described in ORS 314.085,
30 or if the Department of Revenue terminates the taxpayer’s taxable year under ORS 314.440,
31 the credit allowed by this section shall be prorated or computed in a manner consistent with
32 ORS 314.085.

33 “(5) If a change in the status of a taxpayer from resident to nonresident or from non-
34 resident to resident occurs, the credit allowed by this section shall be determined in a man-
35 ner consistent with ORS 316.117.

36 “SECTION 10. ORS 314.752 is amended to read:

37 “314.752. (1) Except as provided in ORS 314.740 (5)(b), the tax credits allowed or allowable to
38 a C corporation for purposes of ORS chapter 317 or 318 shall not be allowed to an S corporation.
39 The business tax credits allowed or allowable for purposes of ORS chapter 316 shall be allowed or
40 are allowable to the shareholders of the S corporation.

41 “(2) In determining the tax imposed under ORS chapter 316, as provided under ORS 314.734, on
42 income of the shareholder of an S corporation, there shall be taken into account the shareholder’s
43 pro rata share of business tax credit (or item thereof) that would be allowed to the corporation (but
44 for subsection (1) of this section) or recapture or recovery thereof. The credit (or item thereof), re-
45 capture or recovery shall be passed through to shareholders in pro rata shares as determined in the

manner prescribed under section 1377(a) of the Internal Revenue Code.

“(3) The character of any item included in a shareholder’s pro rata share under subsection (2) of this section shall be determined as if such item were realized directly from the source from which realized by the corporation, or incurred in the same manner as incurred by the corporation.

“(4) If the shareholder is a nonresident and there is a requirement applicable for the business tax credit that in the case of a nonresident the credit be allowed in the proportion provided in ORS 316.117, then that provision shall apply to the nonresident shareholder.

“(5) As used in this section, ‘business tax credit’ means a tax credit granted to personal income taxpayers to encourage certain investment, to create employment, economic opportunity or incentive or for charitable, educational, scientific, literary or public purposes that is listed under this subsection as a business tax credit or is designated as a business tax credit by law or by the Department of Revenue by rule and includes but is not limited to the following credits: ORS 285C.309 (tribal taxes on reservation enterprise zones and reservation partnership zones), ORS 315.104 (forestation and reforestation), ORS 315.138 (fish screening, by-pass devices, fishways), ORS 315.141 (biomass production for biofuel), ORS 315.156 (crop gleanings), ORS 315.164 and 315.169 (agriculture workforce housing), ORS 315.204 (dependent care assistance), ORS 315.208 (dependent care facilities), ORS 315.213 (contributions for child care), ORS 315.304 (pollution control facility), ORS 315.326 (renewable energy development contributions), ORS 315.331 (energy conservation projects), ORS 315.336 (transportation projects), ORS 315.341 (renewable energy resource equipment manufacturing facilities), ORS 315.354 and 469B.151 (energy conservation facilities), ORS 315.507 (electronic commerce) and ORS 315.533 (low income community jobs initiative) **and sections 6 to 8 of this 2016 Act (increased minimum wage).**

“**SECTION 11.** ORS 318.031 is amended to read:

“318.031. It being the intention of the Legislative Assembly that this chapter and ORS chapter 317 shall be administered as uniformly as possible (allowance being made for the difference in imposition of the taxes), ORS 305.140 and 305.150, ORS chapter 314 and the following sections are incorporated into and made a part of this chapter: ORS 285C.309, 315.104, 315.141, 315.156, 315.204, 315.208, 315.213, 315.304, 315.326, 315.331, 315.336, 315.507 and 315.533 **and sections 6 to 8 of this 2016 Act** (all only to the extent applicable to a corporation) and ORS chapter 317.

“**SECTION 12.** Sections 6 to 9 of this 2016 Act and the amendments to ORS 314.752 and 318.031 by sections 10 and 11 of this 2016 Act apply to tax years beginning on or after January 1, 2017, and before January 1, 2021.

“**SECTION 13.** By September 30 of each year, the Department of Revenue shall report to the Legislative Assembly, in the manner provided by ORS 192.245, the cost for the prior year of the tax credit provided under section 6 of this 2016 Act.

“**SECTION 14.** ORS 18.838 is amended to read:

“18.838. Instructions to garnishees must be in substantially the following form:

“

INSTRUCTIONS TO GARNISHEE

Except as specifically provided in these instructions, you must complete and deliver the Garnishee Response within seven calendar days after you receive the writ of garnishment. If the writ does not comply with Oregon law, the writ is not effective to garnish any property of the Debtor, but you still must complete and deliver the Garnishee Response. You must complete and

1 deliver the response even though you cannot determine from the writ whether you hold any property
2 or owe any debt to the Debtor. If the seventh calendar day is a Saturday, Sunday or legal holiday,
3 you must deliver your response on or before the next following day that is not a Saturday, Sunday
4 or legal holiday.

5
6 The writ is not effective, and you need not make a Garnishee Response, if:

- 7
- 8 • You do not receive the writ within 60 days after the date of issuance shown on the face of
9 the writ.
 - 10
 - 11 • You do not receive an original writ of garnishment or a copy of the writ.
 - 12

13 Statutes that may affect your rights and duties under the writ can be found in ORS 18.600 to
14 18.850.

15
16 NOTE: The Garnishor may be the Creditor, the attorney for the Creditor or some other person
17 who is authorized by law to issue the writ of garnishment. See the writ to determine who the
18 Garnishor is.

19
20 STEP 1. FILL OUT THE GARNISHEE RESPONSE.

21
22 All garnishees who are required to deliver a garnishee response must fill in Part I of the
23 Garnishee Response. Garnishees who employ the Debtor must also fill in Part II of the response.
24 You should keep a copy of the response for your records.

25
26 Completing Part I of the Garnishee Response. If you discover before you deliver your response
27 that a bankruptcy petition has been filed by or on behalf of the Debtor, and the bankruptcy petition
28 was filed after a judgment was entered against the Debtor or after the debt otherwise became sub-
29 ject to garnishment (see the date specified in the writ), you must put a check by the appropriate
30 statement in Part I. If a bankruptcy petition has been filed, you should not make any payments to
31 the Garnishor unless the court orders otherwise. You need not complete any other part of the re-
32 sponse, but you still must sign the response and deliver it in the manner described in Step 2 of these
33 instructions.

34 In all other cases you must list in Part I all money and personal property of the Debtor that is
35 in your possession, control or custody at the time of delivery of the writ. You must also list all debts
36 that you owe to the Debtor, whether or not those debts are currently due (e.g., money loaned to you
37 by the Debtor that is to be repaid at a later time).

38 If you are the employer of the Debtor at the time the writ is delivered to you, you must put a
39 check by the appropriate statement in Part I. In addition, you must complete Part II of the response.

40 If you believe that you may hold property of the Debtor or that you owe a debt to the Debtor,
41 but you are not sure, you must put a check by the appropriate statement and provide an explana-
42 tion. When you find out what property you hold that belongs to the Debtor, or you find out whether
43 you owe money to the Debtor and how much, you must prepare and deliver an amended response.
44 You must do this even if you find out that you have no property of the Debtor or that you do not
45 owe anything to the Debtor.

1 If you determine that the writ, on its face, does not comply with Oregon laws governing writs
2 of garnishment, or if you are unable to determine the identity of the Debtor from the information
3 in the writ, then the writ is not effective to garnish any property of the Debtor. You must put a
4 check by the appropriate statement in Part I and provide an explanation. You still must complete
5 the response and deliver the response in the manner described in Step 2 of these instructions.

6 If you have received an order to withhold income that applies to the income of the Debtor and
7 that order has priority over the garnishment, and if compliance with the order will reduce or elim-
8 inate the money or property that you would otherwise deliver under the garnishment, you must put
9 a check by the appropriate statement in Part I. You still must fill out the remainder of the response
10 and deliver the response in the manner described in Step 2 of these instructions. If you employ the
11 Debtor, you still must complete Part II of the response.

12 If you receive notice of a challenge to the garnishment before you send your response, you must
13 complete and deliver your response as otherwise required by these instructions. However, see Step
14 3 of these instructions regarding payment of money or delivery of property after receipt of notice
15 of a challenge to the garnishment.

16 If you owe a debt to the Debtor and the Debtor owes a debt to the holder of an underlying lien
17 on your property, you may be able to offset the amount payable to the underlying lienholder. See
18 ORS 18.620. You must note that you have made the offset in Part I of the response (under
19 “Other”) and specify the amount that was offset.

20
21 Completing Part II of the Garnishee Response (employers only). You must fill in Part II of the
22 response if you employ the Debtor on the date the writ of garnishment is delivered to you, or if you
23 previously employed the Debtor and still owe wages to the Debtor on the date the writ is delivered
24 to you.

25
26 Wages affected. Except as provided below, the writ garnishes all wages that you owe to the
27 Debtor for work performed before the date you received the writ, even though the wages will not
28 be paid until a later date. The writ also garnishes all wages that are attributable to services per-
29 formed during the 90-day period following the date you received the writ, even though you would
30 not pay the Debtor for all or part of those services until after the end of the 90-day period. Wages
31 subject to garnishment under the writ include all amounts paid by you as an employer, whether on
32 an hourly, weekly or monthly basis, and include commission payments and bonuses.

33
34 Example 1: Debtor A is employed by you and is paid a monthly salary on the first day of
35 each month. You receive a writ of garnishment on July 17. The writ garnishes all wages
36 that you owe to Debtor A for work performed on or before July 17. If Debtor A was paid
37 on July 1 for services performed in the month of June, the writ garnishes Debtor A’s salary
38 for the period beginning July 1 and ending October 15 (90 days after receipt of the writ).

39
40 The writ does not garnish any wages you owe to a Debtor for a specific pay period if:

41 (a) The writ is delivered to you within two business days before the Debtor’s normal payday for
42 the pay period;

43 (b) When the writ is delivered to you, the Debtor’s wages are paid by direct deposit to a finan-
44 cial institution, or you use an independent contractor as payroll administrator for your payroll; and

45 (c) Before the writ was delivered to you, you issued instructions to the financial institution or

1 the payroll administrator to pay the Debtor for the pay period.

2 If any wages are not garnishable by reason of the issuance of instructions to a financial insti-
3 tution or a payroll administrator as described above, you must so note in the Garnishee Response.
4 Thereafter, you must pay to the Garnishor all wages that are subject to garnishment that are at-
5 tributable to services performed by the Debtor during the 90-day period following the date you re-
6 ceived the writ.

7
8 Calculation of wages subject to garnishment. A Wage Exemption Calculation form is attached
9 to the writ of garnishment. You must use this form to calculate the amount of the Debtor's wages
10 that is subject to garnishment. You should read the instructions printed on the Wage Exemption
11 Calculation form to determine the normal wage exemption and the **state mandated** minimum wage
12 exemption for each payment you make under the writ.

13 A Wage Exemption Calculation form must be sent with the first payment you make under the
14 writ. For the 90-day period during which the writ is effective, you must also fill out and return a
15 Wage Exemption Calculation form with a subsequent payment any time the initial calculation
16 changes. Finally, you must fill out and return a Wage Exemption Calculation form with the final
17 payment that you make under the writ.

18
19 Payment of amount subject to garnishment. Payments under the writ must be made at the fol-
20 lowing times, unless the amount owing on the judgment or other debt is fully paid before the final
21 payment is made or the writ is released:

22 (a) You must make a payment to the Garnishor of all wages subject to garnishment at the time
23 you next pay wages to the Debtor. Complete the wage exemption computation, using the Wage Ex-
24 emption Calculation form, to determine the portion of the Debtor's wages that is subject to
25 garnishment. Be sure to adjust the minimum exemption amount for any payment that covers less
26 than a full pay period. You must include a copy of the Wage Exemption Calculation form with this
27 first payment.

28
29 Example 2: Using the facts given in Example 1, when you next make any payment of wages
30 to Debtor A after you receive the writ on July 17, you must complete the Wage Exemption
31 Calculation form and send the form to the Garnishor along with all amounts determined to
32 be subject to garnishment that are attributable to the period covered by the payment. If you
33 pay Debtor A on August 1, the payment will be for all wages attributable to the period be-
34 ginning July 1 and ending July 31.

35
36 (b) Unless the writ of garnishment is satisfied or released, during the 90-day period following the
37 date you received the writ, you must pay to the Garnishor all wages that are determined to be
38 subject to garnishment whenever you issue a paycheck to the Debtor. If the Debtor is paid on a
39 weekly basis, you must make payment under the writ on a weekly basis. If the Debtor is paid on a
40 monthly basis, you must make payment under the writ on a monthly basis. If the amount paid to the
41 Debtor varies from paycheck to paycheck, or changes at any time from the amount being paid at the
42 time the writ was delivered to you, you must perform a new wage exemption computation to deter-
43 mine the amount of wages subject to garnishment under the writ. You must send a copy of the new
44 Wage Exemption Calculation form with your payment to the Garnishor.

1 Example 3: Using the facts given above, as you make each subsequent payment of wages to
2 Debtor A you must make a payment of that portion of the Debtor's wages that are subject
3 to garnishment. If you continue to pay Debtor A on the first of each month, payments must
4 be made on September 1 and October 1.

5
6 (c) Upon the expiration of the 90-day period, you must make a final payment to the Garnishor
7 for all wages that were owing to the Debtor for the work performed by the Debtor through the 90th
8 day following your receipt of the writ. This payment may be made at the time of the Debtor's next
9 paycheck. You will need to complete another Wage Exemption Calculation form to determine the
10 amount of the wages subject to garnishment.

11
12 Example 4: Using the facts given above, you must make a final payment for the wages owing
13 to Debtor A for the period beginning October 1 and ending October 15. You may make this
14 payment at the time you issue Debtor A's paycheck on November 1, but you must make the
15 payment at any time you issue a paycheck to Debtor A after October 15. Be sure that in
16 completing the wage exemption computation for the final payment you adjust the minimum
17 exemption amount to take into account the fact that the period covered is only 15 days of
18 the full month (see instructions on Wage Exemption Calculation form).

19
20 Processing fee. You may collect a \$2 processing fee for each week of wages, or fraction of a
21 week of wages, for which a payment is made under the writ. The fee must be collected after you
22 make the last payment under the writ. The fee must be withheld from the wages of the debtor, and
23 is in addition to the amounts withheld for payment to the garnishor under the writ or under any
24 other writ you have received.

25
26 If you receive more than one writ of garnishment. If you receive a second writ of garnishment
27 for the same Debtor from another Garnishor, the first writ will have priority for wages. The priority
28 of the first writ lasts for the 90-day period following delivery of that writ to you, or until the first
29 writ is paid in full, whichever comes first. In your response to the second writ, you must put a check
30 by the appropriate statement in Part II and indicate the date on which the first writ will expire (90
31 days after the date you received the writ). You should make no payments under the second writ
32 until expiration of the first writ. The expiration date of the second writ is 90 days after the date
33 you received the second writ; the expiration date is not affected by any delay in payment attribut-
34 able to the priority of the first writ.

35
36 STEP 2. DELIVER THE GARNISHEE RESPONSE.

37
38 You must deliver your Garnishee Response and copies of the response in the manner provided
39 in this step. The response and copies may be mailed or delivered personally.

40
41 You must complete and deliver the Garnishee Response within seven calendar days after you
42 receive the writ of garnishment. If the seventh calendar day is a Saturday, Sunday or legal holiday,
43 you must deliver your response on or before the next following day that is not a Saturday, Sunday
44 or legal holiday.

45

1 If you are required to hold any property under the writ or make any payment under the writ,
2 either at the time of making your response or later, you must:

3 (a) Send the original of your Garnishee Response to the Garnishor at the address indicated on
4 the writ under Important Addresses.

5 (b) Send a copy of your Garnishee Response to the court administrator at the address indicated
6 on the writ under Important Addresses.

7 (c) Send a copy of your Garnishee Response to the Debtor if an address is indicated on the writ
8 under Important Addresses.

9
10 If you are not required to hold any property under the writ or make any payment under the
11 writ, either at the time of making your response or later, you must:

12 (a) Send the original of your Garnishee Response to the Garnishor at the address indicated on
13 the writ under Important Addresses.

14 (b) Send a copy of your Garnishee Response to the Debtor if an address is indicated on the writ
15 under Important Addresses.

16
17 STEP 3. DELIVER THE FUNDS OR OTHER PROPERTY.

18
19 As long as the writ is in effect, you may be liable to the Creditor if you pay any debt or turn
20 over any property to the Debtor except as specifically allowed by law. If you have any money or
21 property of the Debtor in your possession, control or custody at the time of delivery of the writ, or
22 owe any debt to the Debtor, you must pay the money or hold the property as required by this step.
23 Exceptions to this requirement are listed below.

24
25 IF YOU ARE HOLDING MONEY FOR THE DEBTOR OR OWE A DEBT THAT IS CUR-
26 RENTLY DUE, you must pay the money to the Garnishor with your response. You must send your
27 payment to the Garnishor at the address indicated on the writ under Important Addresses. Make
28 your check payable to the Garnishor.

29
30 IF YOU OWE A DEBT TO THE DEBTOR THAT WILL BECOME DUE WITHIN 45 DAYS
31 AFTER THE DATE YOU RECEIVED THE WRIT, you must send your payment directly to the
32 Garnishor at the address provided in the writ when the debt becomes due. Make your check payable
33 to the Garnishor.

34
35 IF YOU ARE HOLDING PROPERTY THAT BELONGS TO THE DEBTOR, OR OWE A DEBT
36 TO THE DEBTOR THAT WILL NOT BECOME DUE WITHIN 45 DAYS AFTER THE DATE YOU
37 RECEIVED THE WRIT, you must keep the property or debt in your possession, control or custody
38 until you receive written notice from the Sheriff. The Sheriff's notice will tell you what to do with
39 the property or debt. If you have followed all of the instructions in the writ and you receive no
40 notice from the Sheriff within 30 days after the date on which you delivered your Garnishee Re-
41 sponse, you may treat the writ as being of no further force or effect.

42
43 EXCEPTIONS:

44
45 1. Challenge to garnishment or specific directions from court. If you are making any payments

1 under the garnishment and before making a payment you receive notice of a challenge to the
2 garnishment from the court, or receive a specific direction from the court to make payments to the
3 court, you must send or deliver the payment directly to the court administrator. If the money is
4 currently due when you receive the notice, send the payment promptly to the court. If the payment
5 is for a debt that is payable within 45 days after you receive the writ, make the payment to the
6 court promptly when it becomes due. If you make payment by check, make the check payable to the
7 State of Oregon. Because you may be liable for any payment that does not reach the court, it is
8 better not to send cash by mail.

9 A challenge to the garnishment does not affect your duty to follow the instructions you receive
10 from the Sheriff for property that belongs to the Debtor and debts that you owe to the Debtor that
11 do not become due within 45 days.

12
13 2. Previous writ of garnishment. If you receive a second writ of garnishment for the same Debtor
14 from another Garnishor, the first writ will have priority and you need not make payments or deliver
15 property under the second writ to the extent that compliance with the first writ will reduce or
16 eliminate the payment of money or delivery of property that you would otherwise make under the
17 garnishment. You must still deliver a Garnishee Response to the second writ, and must commence
18 payment under the second writ as soon as the first writ is satisfied or expires.

19
20 3. Offset for payment of underlying lien. If you owe a debt to the Debtor and the Debtor owes
21 a debt to the holder of an underlying lien on your property, you may be able to offset the amount
22 payable to the underlying lienholder. See ORS 18.620.

23
24 4. Subsequent events:

25
26 (a) Bankruptcy. If you make your response and then discover that a voluntary or involuntary
27 bankruptcy petition has been filed by or on behalf of the Debtor after the judgment was entered
28 against the Debtor or after the debt otherwise became subject to garnishment (see date in writ), you
29 may not make any further payments or delivery of property under the writ unless the court orders
30 otherwise. If you have not delivered all property that is subject to garnishment under this writ when
31 you discover that a bankruptcy petition has been filed, you must mail the following notice to the
32 Garnishor and to the Debtor.

33
34 (b) Order to withhold income. If you make your response and then receive an order to withhold
35 income that has priority over the writ, you may make payments or deliver property under the writ
36 only after payment of the amounts required under the order to withhold income. If you have not
37 delivered all property that is subject to garnishment under this writ when you receive an order to
38 withhold income that has priority, you must mail the following notice to the Garnishor and to the
39 Debtor.

30 SPECIAL INSTRUCTIONS FOR BANKS
31 AND OTHER FINANCIAL INSTITUTIONS
32

33 Unless a Notice of Right to Garnish Federal Benefits from the United States Government or
34 from a state child support enforcement agency is attached to or included in the garnishment, you
35 must conduct a garnishment account review for each account that you hold for the debtor. If a
36 Notice of Right to Garnish Federal Benefits from the United States Government or from a state
37 child support enforcement agency is attached to or included in the garnishment, you should not
38 conduct a garnishment account review, and should proceed upon the garnishment in the normal
39 manner.

40 If you hold an account for the debtor, and any of the payments listed below has been deposited
41 in the account by direct deposit or electronic payment during the lookback period described in ORS
42 18.784 (2) (the period that begins on the date preceding the date of your garnishment account review
43 and that ends on the corresponding date of the month two months earlier, or on the last day of the
44 month two months earlier if the corresponding date does not exist), an amount equal to the lesser
45 of the sum of those payments or the total balance in the debtor’s account is not subject to

1 garnishment, and you may not deliver that amount to the garnishor:

2 (a) Federal benefit payments as defined in ORS 18.600 (payments from the United States Social
3 Security Administration, the United States Department of Veterans Affairs, the United States Office
4 of Personnel Management or the Railroad Retirement Board);

5 (b) Payments from a public or private retirement plan as defined in ORS 18.358;

6 (c) Public assistance or medical assistance, as defined in ORS 414.025, payments from the State
7 of Oregon or an agency of the State of Oregon;

8 (d) Unemployment compensation payments from the State of Oregon or an agency of the State
9 of Oregon;

10 (e) Black lung benefits payments from the United States Department of Labor; and

11 (f) Workers' compensation payments from a workers' compensation carrier.
12

13 If the Garnishor fails to pay the search fee required by ORS 18.790 and you do not employ the
14 Debtor, you are not required to deliver a Garnishee Response and you may deal with any property
15 of the Debtor as though the garnishment had not been issued.
16

17 If the Debtor owes a debt to you that was due at the time you received the writ of garnishment,
18 you may be able to offset the amount of that debt. See ORS 18.795. You must note that you have
19 made the offset in Part I of the Garnishee Response (under "Other") and specify the amount that
20 was offset.
21

22 Before making a payment under the writ, you may first deduct any processing fee that you are
23 allowed under ORS 18.790. If you are required to conduct a garnishment account review, you may
24 not charge or collect a processing fee against any amount that is not subject to garnishment, and
25 may not charge or collect a garnishment processing fee against any amounts in the account after
26 the date that you conduct the review.
27

28 You need not deliver any property contained in a safe deposit box unless the Garnishor pays
29 you in advance for the costs that will be incurred in gaining entry to the box. See ORS 18.792.
30

31 If you are required to conduct a garnishment account review and you determine from the review
32 that one or more of the payments listed in ORS 18.784 (3) have been deposited into the debtor's
33 account by direct deposit or electronic payment during the lookback period described in ORS 18.784
34 (2), and that there is a positive balance in the account, you must issue a notice to the account
35 holder in substantially the form set forth in ORS 18.847. The notice must be issued directly to the
36 account holder or to a fiduciary who administers the account and receives communications on behalf
37 of the account holder. The notice must be sent separately to the account holder and may not be
38 included with other materials being provided to the account holder that do not relate to the
39 garnishment. You must send the notice to the account holder within three business days after you
40 complete the garnishment account review. You may issue one notice with information related to
41 multiple accounts of a single account holder.

INSTRUCTIONS FOR WAGE
EXEMPTION CALCULATION FORM

If you employ the Debtor named in the writ of garnishment, you must fill out and return this Wage Exemption Calculation form. A Wage Exemption Calculation form must be sent with the first payment you make under the writ. For the 90-day period during which the writ is effective, you must also fill out and return a Wage Exemption Calculation form with a subsequent payment any time the initial calculation changes. Finally, you must fill out and return a Wage Exemption Calculation form with the final payment that you make under the writ.

Normal wage exemption. The wage exemption calculation is based on the amount of the payment you make under the writ of garnishment. The normal wage exemption in Line 4 is 75 percent of the employee's disposable wages in Line 3.

State mandated minimum wage exemption. The minimum exemption in Line 5 is also based on the amount of the payment you are making. The minimum exemption is designed to ensure that an employee receives at least a certain minimum amount in any one-week period. If the payment is for a one-week period (without regard to whether the period is a calendar week or any other seven-day period), the minimum exemption is \$218. The minimum exemption is \$435 if the payment is for a two-week period. If the payment is for one-half of one month (i.e., the Debtor is paid twice each month), the minimum exemption is \$468. The minimum exemption for a monthly payment is \$936.

If the payment you are making is based on some period of time other than one week, two weeks, half month or month, and the payment is for more than one week, you must calculate the minimum exemption by multiplying \$218 by the number of weeks covered by the paycheck, including any fraction of a week. You should round the amount calculated to the nearest dollar.

Example 1: You pay Debtor A every 10 days. Each 10-day period is equal to 1.429 weeks (10 divided by 7). The minimum exemption is \$312 ($\218×1.429 rounded to the nearest dollar).

You must use this same calculation for computing the minimum exemption when making a payment for less than a full pay period (e.g., for the final payment at the end of the 90-day period covered by the writ).

Example 2: You pay Debtor A on a monthly basis. You are required to make a final payment under a writ of garnishment for the wages owing to Debtor A for the period beginning October 1 and ending October 15. This period is equal to 2.143 weeks (15 divided by 7). The minimum exemption is \$467 ($\218×2.143 rounded to the nearest dollar).

The amount of time actually worked by the Debtor during the period covered by the paycheck does not affect the calculation of the minimum exemption.

Example 3: You pay Debtor A on a weekly basis. Debtor A works two days per week. The minimum exemption is \$218 for each weekly payment you make for Debtor A.

If the payment you are making is based on a period of time less than one week, the **state**

1 **mandated** minimum wage exemption may not exceed \$218 for any one-week period.

2
3 If you receive more than one writ of garnishment. If you receive more than one writ of
4 garnishment for the same debtor, the writs have priority based on the date on which you receive
5 them. If the full amount of wages subject to garnishment for a given pay period is paid on the first
6 writ, you should not make any payment on subsequently received writs until the first writ expires.
7 In some cases, it may be necessary to make payments on two or more writs for the same pay period.

8
9 Example 4. You have received two writs of garnishment for Debtor A. You pay Debtor A
10 on a monthly basis. The first writ expires on October 16. The second writ will not expire
11 until November 15. You will need to prepare two wage exemption calculation forms for
12 Debtor A's October wages and make payments under both writs. The wage exemption cal-
13 culation form for the first writ will be for the wages attributable to October 1 to October
14 15 as described in Example 2. The wage exemption calculation form for the second writ will
15 be for all wages for the month of October, but the amounts withheld under the first writ
16 must be subtracted on Line 8 to determine the October wages subject to garnishment under
17 the second writ.

20 “**SECTION 16.** ORS 25.323 is amended to read:

21 “25.323. (1) Every child support order must include a medical support clause.

22 “(2) Whenever a child support order that does not include a medical support clause is modified
23 the modification must include a medical support clause.

24 “(3) A medical support clause may require that medical support be provided in more than one
25 form, and may make the requirement that medical support be provided in a particular form contin-
26 gent on the availability of another form of medical support.

27 “(4) A medical support clause must require that one or both parents provide private health care
28 coverage for a child that is appropriate and available at the time the order is entered. If private
29 health care coverage for a child is not appropriate and available at the time the order is entered,
30 the order must:

31 “(a) Require that one or both parents provide private health care coverage for the child at any
32 time thereafter when such coverage becomes available; and

33 “(b) Either require the payment of cash medical support, or include findings on why cash med-
34 ical support has not been required.

35 “(5) For the purposes of subsection (4) of this section, private health care coverage is appropri-
36 ate and available for a child if the coverage:

37 “(a) Is accessible, as described in subsection (6) of this section;

38 “(b) Is reasonable in cost and does not require the payment of unreasonable deductibles or
39 copayments; and

40 “(c) Provides coverage, at a minimum, for medical expenses, hospital expenses, preventive care,
41 emergency care, acute care and chronic care.

42 “(6) Private health care coverage is accessible for the purposes of subsection (5)(a) of this sec-
43 tion if:

44 “(a) The coverage will be available for at least one year, based on the work history of the parent
45 providing the coverage; and

1 “(b) The coverage either does not have service area limitations or the child lives within 30 miles
2 or 30 minutes of a primary care provider who is eligible for payment under the coverage.

3 “(7) A medical support clause may not order a providing party to pay cash medical support or
4 to pay to provide health care coverage if the providing party’s income is equal to or less than the
5 [Oregon] **state mandated** minimum wage for full-time employment.

6 “(8) Cash medical support and the cost of other medical support ordered under a medical support
7 clause constitute a child support obligation and must be included in the child support calculation
8 made under ORS 25.275.

9 “**SECTION 17.** ORS 25.333 is amended to read:

10 “25.333. (1) When the enforcing agency issues a medical support notice under ORS 25.325, the
11 enforcing agency shall notify the parties by regular mail to the last known addresses of the parties:

12 “(a) That the notice has been sent to the providing party’s employer; and

13 “(b) Of the providing party’s rights and duties under the notice.

14 “(2) A providing party may contest a medical support notice within 30 days after the date the
15 premium is first withheld pursuant to the notice or, if the health benefit plan is provided at no cost
16 to the providing party, the date the first premium is paid by the employer.

17 “(3) The only basis for contesting a medical support notice is a mistake of fact. A ‘mistake of
18 fact’ means any of the following:

19 “(a) No order to provide health care coverage under a health benefit plan has been issued in
20 regard to the providing party’s child;

21 “(b) The amount to be withheld for premiums is greater than is permissible under ORS 25.331;

22 “(c) The alleged providing party is not the party from whom health care coverage is required;
23 or

24 “(d) The providing party’s income is equal to or less than [Oregon] **state mandated** minimum
25 wage for full-time employment.

26 “(4) The providing party may contest the medical support notice by requesting an administrative
27 review. After receiving a request for review and within 45 days after the date the premium is first
28 withheld pursuant to the medical support notice, the enforcing agency shall determine, based on an
29 evaluation of the facts, whether the withholding for premiums may continue. The enforcing agency
30 shall inform the parties of the determination in writing and include information regarding the right
31 to appeal the determination.

32 “(5) Any appeal of the enforcing agency’s determination under subsection (4) of this section is
33 to the circuit court for a hearing under ORS 183.484.

34 “(6) The initiation of proceedings to contest a medical support notice or an appeal of the en-
35 forcing agency’s determination under this section does not stay the withholding of premiums.

36 “**SECTION 18.** ORS 25.414 is amended to read:

37 “25.414. (1) The withholder shall withhold from the obligor’s disposable monthly income, other
38 than workers’ compensation under ORS chapter 656 or unemployment compensation under ORS
39 chapter 657, the amount stated in the order to withhold. The entity issuing the order to withhold
40 shall compute this amount subject to the following:

41 “(a) If withholding is for current support only, the amount to be withheld is the amount specified
42 as current support in the support order.

43 “(b) If withholding is for current support and there is an arrearage, the amount to be withheld
44 is 120 percent of the amount specified as current support in the support order.

45 “(c) If withholding is only for arrearage, the amount to be withheld is one of the following:

1 “(A) The amount of the last ordered monthly support.

2 “(B) If there is no last ordered monthly support amount, the monthly support amount used to
3 calculate the arrearage amount specified in the order or judgment for arrearage.

4 “(C) If there is no last ordered monthly support amount and if there was no monthly support
5 amount, an amount calculated under the formula established under ORS 25.275. For purposes of this
6 subparagraph, this calculation shall be based on the obligor’s current monthly gross income or, if
7 the obligor’s current monthly gross income is not known, the [*Oregon hourly*] **state mandated**
8 minimum wage converted to a monthly amount based upon a 40-hour workweek, zero income for the
9 obligee, and one joint child, regardless of how many children the parties may actually have. No re-
10 buttals to this calculation may be allowed.

11 “(d) Notwithstanding the amount determined to be withheld under paragraph (c) of this sub-
12 section, the obligor must retain disposable monthly income of at least 160 times the applicable fed-
13 eral minimum hourly wage prescribed by section 6 (a)(1) of the Fair Labor Standards Act of 1938 (29
14 U.S.C. 206) or any future minimum hourly wages prescribed in that section, if the order to withhold
15 is issued for:

16 “(A) Disability benefits payments from the United States Social Security Administration;

17 “(B) Black lung benefits payments from the United States Department of Labor; or

18 “(C) Disability benefits payments from the United States Department of Veterans Affairs.

19 “(2) The amount to be withheld from unemployment compensation under ORS chapter 657 is
20 calculated as follows:

21 “(a) If withholding is for a current support order, regardless of the existence of arrearage, the
22 amount to be withheld is the lesser of:

23 “(A) Twenty-five percent of the benefits paid; or

24 “(B) The current monthly support obligation. The entity issuing the order to withhold may con-
25 vert the monthly support obligation amount to a percentage to be withheld from each benefits pay-
26 ment.

27 “(b) If withholding is for arrearage only, the amount to be withheld is the lesser of:

28 “(A) Fifteen percent of the benefits paid; or

29 “(B) The amount of the last ordered monthly support obligation. The entity issuing the order to
30 withhold may convert the last ordered monthly support obligation amount to a percentage to be
31 withheld from each benefits payment.

32 “(c) The withholder may not charge or collect a processing fee when withholding from unem-
33 ployment compensation.

34 “(3) The amount to be withheld from workers’ compensation under ORS chapter 656 is set forth
35 in ORS 656.234.

36 “(4) Notwithstanding any other provision of this section, when withholding is from a lump sum
37 payment or benefit, including but not limited to retroactive workers’ compensation benefits, lump
38 sum retirement plan disbursements or withdrawals, insurance payments or settlements, severance
39 pay, bonus payments or any other similar payments or benefits that are not periodic recurring in-
40 come, the amount subject to withholding for payment of a support obligation may not exceed one-
41 half of the amount of the lump sum payment or benefit.

42 “(5)(a) Notwithstanding any other provision of this section, when the withholding is only for
43 arrearage, the administrator shall set a lesser amount to be withheld if the obligor demonstrates the
44 withholding is prejudicial to the obligor’s ability to provide for a child the obligor has a duty to
45 support or the obligor’s ability to provide for the obligor’s basic needs. The factors to be considered

1 by the administrator in determining whether the obligor can provide for the obligor's basic needs
2 include but are not limited to:

3 "(A) The health expenses of the obligor;

4 "(B) A verified disability affecting the obligor's ability to work;

5 "(C) Whether the obligor's income remaining after withholding would be less than the self-
6 support reserve established by rule of the Department of Justice under paragraph (c) of this sub-
7 section;

8 "(D) The available resources of the obligor; and

9 "(E) The number and basic needs of other persons in the obligor's household.

10 "(b) The administrator shall establish a procedure to give advance and periodic notice to the
11 obligor of the provisions of paragraph (a) of this subsection and of the means to reduce the amount
12 stated in the order to withhold.

13 "(c) The Department of Justice shall adopt rules to implement this subsection.

14 "(6) Except as provided in subsection (2) of this section, the withholder may deduct from the
15 obligor's disposable income a monthly processing fee not to exceed \$5. The processing fee is in ad-
16 dition to the amount calculated to be withheld for support, unless the amount to be withheld for
17 support is the maximum allowed under subsection (8) of this section, in which case the fee is de-
18 ducted from the amount withheld as support.

19 "(7) If there are multiple withholding orders against the same obligor, the amount to be withheld
20 is the sum of each support order calculated independently.

21 "(8) No withholding as calculated under this section, including the processing fee permitted in
22 subsection (6) of this section, shall exceed 50 percent of the obligor's net disposable income. The
23 limit established in this subsection applies whenever withholding is implemented under this section,
24 whether by a single order or by multiple orders against the same obligor.

25 "(9) When the obligor's income is not sufficient for the withholder to fully comply with each
26 withholding order, the withholder shall withhold the maximum amount allowed under this section.
27 If all withholding orders for a particular obligor are payable to or through the department, the
28 withholder shall pay to the department the income withheld and the department shall determine
29 priorities for allocating income withheld to multiple child support cases relative to that obligor. If
30 one or more of the withholding orders for a particular obligor require payment other than to or
31 through the department, the withholder shall use the following to determine priorities for with-
32 holding and allocating income withheld to multiple child support cases:

33 "(a) If the amount withheld from the obligor's income is sufficient to pay the current support
34 due to each case but is not enough to fully comply with the withholding order for each case where
35 past due support is owed, the withholder shall:

36 "(A) Pay to each case the amount of support due for the current month; and

37 "(B) Pay the remainder of the amount withheld in equal amounts to each case where past due
38 support is owed. However, no case shall receive more than the total amount of current support and
39 past due support owed to that case at the time the payment is made.

40 "(b) If the amount withheld is not sufficient to pay the current support due to each case, each
41 case shall be paid a proportionate share of the amount withheld. The withholder shall determine this
42 for each case by dividing the monthly amount ordered as current support for that case by the com-
43 bined monthly amount ordered as current support for all cases relative to the same obligor, and
44 multiplying this percentage by the total amount withheld.

45 "(10) An order to withhold income is not subject to the limitations of ORS 18.385.

1 “(11) A withholder shall withhold funds as directed in the order to withhold, except that when
2 a withholder receives an income-withholding order issued by another state, the withholder shall
3 apply the income-withholding law of the state of the obligor’s principal place of employment in de-
4 termining:

5 “(a) The withholder’s fee for processing an income-withholding order;

6 “(b) The maximum amount permitted to be withheld from the obligor’s income;

7 “(c) The time periods within which the withholder must implement the income-withholding order
8 and forward the child support payment;

9 “(d) The priorities for withholding and allocating income withheld for multiple child support
10 obligees; and

11 “(e) Any withholding terms or conditions not specified in the order.

12 “**SECTION 19.** ORS 137.103 is amended to read:

15 any other criminal conduct admitted by the defendant.

16 “(2) ‘Economic damages’:

44 “(5) ‘Victim’ does not include any coparticipant in the defendant’s criminal activities.

45 “**SECTION 20.** Section 2, chapter 564, Oregon Laws 2011, is amended to read:

1 “**Sec. 2.** (1) As used in this section:

2 “(a) ‘Discretionary local permit’ includes local land use permits and licenses.

3 “(b) ‘Discretionary state permit’ does not include a permit or license issued by a state permitting

23 “(B) A change to the acknowledged comprehensive plan or land use regulations of the local
24 government within whose land use jurisdiction the industrial development project would occur; or

25 “(C) A federal environmental impact statement under the National Environmental Policy Act.

26 “(3) In lieu of filing an application for a discretionary local permit under ORS 215.402 to 215.438
27 or 227.160 to 227.186, and in lieu of filing an application otherwise required by law for a discre-
28 tionary state permit from a state permitting agency, a person may file an application with the Eco-
29 nomic Recovery Review Council for expedited project review of an industrial development project
30 after first filing with the council a notice of intent to seek expedited project review that includes
31 evidence that the proposed project meets the criteria for state significance set forth in subsection
32 (2) of this section.

33 “(4) The Economic Recovery Review Council, established under section 3 of this 2011 Act, may
34 expedite the permitting of up to 10 industrial development projects of state significance per
35 biennium through an expedited project review process in which the council reviews the proposed
36 project to determine whether the project complies with the standards and criteria for applicable
37 discretionary local permits and discretionary state permits. The expedited project review by the
38 council must include:

1 discretionary state permit that will be addressed in the expedited project review; and

2 “(B) The deadline for an applicant to file a complete application.

7 decision or in the manner required for a conditional use permit in the applicable acknowledged land
8 use regulations of the local government within whose land use jurisdiction the proposed project
9 would occur, whichever results in broader notice;

10 “(b) Provide for a public hearing on the proposed project in the land use jurisdiction in which
11 the proposed project would occur;

12 “(c) Consider recommendations of the local government and state permitting agencies that would
13 otherwise have jurisdiction to review the discretionary local permits and discretionary state permits
14 for the proposed project in determining whether the project complies with applicable standards and
15 criteria and in determining whether to impose conditions of approval for the project; and

16 “(d) Apply the standards and criteria for each discretionary local permit and discretionary state
17 permit required for the construction and operation of the proposed project and determine, within
18 120 days after the date a complete application is filed and based on the record and the applicable
19 law, whether the project complies with the applicable standards and criteria.

20 “(6) The council has jurisdiction to approve discretionary local permits and discretionary state
21 permits. The council may not waive standards and criteria that apply to issuance of a discretionary
22 local permit or a discretionary state permit. If the council determines that the proposed project
23 complies with the applicable standards and criteria, the council shall issue a project certificate ap-
24 proving the development project. In addition to other conditions reasonably necessary to ensure that
25 the proposed project complies with applicable standards and criteria, the council may impose a
26 condition requiring commencement of construction by a date calculated to ensure that a particular
27 site is developed for the project within a specific time period. If the council determines that the
28 project does not, or can not, comply with applicable standards and criteria, the council shall issue
29 a final order denying the application and explaining why the application was not approved.

30 “(7) A state permitting agency or a local government may recommend conditions of approval
31 reasonably necessary to ensure that the development project complies with applicable standards and
32 criteria.

33 “(8) Expedited project review of an industrial development project is not subject to ORS 183.413
34 to 183.470.

35 “(9) Issuance of a project certificate:

36 “(a) Binds public bodies, as defined in ORS 174.109, in regard to approval of construction and
37 operation of the development project.

38 “(b) Satisfies requirements imposed on a state permitting agency by ORS 197.180 and adminis-
39 trative rules implementing ORS 197.180.

40 “(10) After the council issues a project certificate, state permitting agencies and local govern-
41 ments shall:

42 “(a) Issue discretionary local permits and discretionary state permits as required in the certif-
43 icate; and

44 “(b) Exercise enforcement authority over the permits, including conditions imposed in the cer-
45 tificate.

1 “(11) The council shall charge the applicant a fee calculated to recover the costs reasonably
2 incurred to conduct expedited project review, including the costs incurred by state permitting
3 agencies and local governments that make recommendations to the council concerning whether the
4 proposed project complies with applicable standards and criteria. If the fee charged by the council
5 includes costs incurred by a state permitting agency or a local government, the council shall pay
6 or reimburse the state permitting agency or the local government in the manner provided by ORS
7 469.360. The council may require the applicant to pay all or a portion of the fee before initiation
8 of the expedited project review and may require progress payments as the review proceeds. The fee
9 required by this section is in lieu of any fee or fees otherwise required for review of a discretionary
10 local permit or a discretionary state permit addressed in the project certificate. The council shall
11 deposit moneys received under this section in the Economic Recovery Review Council Fund estab-
12 lished under section 5 of this 2011 Act.

13 “(12) The Land Use Board of Appeals does not have jurisdiction to consider decisions, aspects
14 of decisions or actions taken under sections 1 to 5 of this 2011 Act.

15 “(13) A person who participated in the proceedings before the council may appeal a final order
16 of the council to the Court of Appeals. The appeal shall proceed in the manner provided by ORS
17 197.850, 197.855 and 197.860. However, notwithstanding ORS 197.850 (9) or any other provision of
18 law, the court shall reverse or remand the decision only if the court finds that:

19 “(a) The council’s determination that the proposed project qualifies as an industrial development
20 project of state significance under subsection (2) of this section was clearly in error;

21 “(b) There is a basis to vacate the decision as described in ORS 36.705 (1)(a) to (d) or a basis
22 for modification or correction of an award as described in ORS 36.710; or

23 “(c) The decision was unconstitutional.

24 “**SECTION 21.** ORS 258.200 is amended to read:

25 “258.200. (1) After receiving notice from the Secretary of State that a recount is to be made, the
26 official directed to conduct the recount shall appoint counting boards from the list of electors
27 qualified to vote in the county in which the recount is demanded. The official shall appoint as many
28 counting boards as may be necessary to complete the recount within the shortest practicable time
29 after the demand is filed. No member of the counting boards shall have been a candidate for any
30 office voted upon at the election. The members of a counting board shall not all be members of the

36 “(a) ‘Child care’ means care provided to a qualifying child of the taxpayer for the purpose of
37 allowing the taxpayer to be gainfully employed, to seek employment or to attend school on a full-

39 “(A) The child’s parent or guardian, unless the care is provided in a certified or registered child
40 care facility; or

41 “(B) A person who has a relationship to the taxpayer that is described in section 152(a) of the

18 of age, or who is a child with a disability, as that term is defined in ORS 316.099.

19 “(2) A taxpayer is not disqualified from claiming the credit under this section solely because the
20 taxpayer’s spouse has a disability, if the disability is such that it prevents the taxpayer’s spouse
21 from providing child care, being gainfully employed, seeking employment and attending school. The
22 Department of Revenue may require that a physician verify the existence of the disability and its
23 severity.

24 “(3) A qualified taxpayer shall be allowed a credit against the taxes otherwise due under ORS
25 chapter 316 equal to the applicable percentage of the qualified taxpayer’s child care expenses

27 “(4) The applicable percentage to be used in calculating the amount of the credit provided in
28 this section shall be determined in accordance with the following table:

12 “(6) In the case of a credit allowed under this section:

13 “(a) A nonresident shall be allowed the credit under this section in the proportion provided in
14 ORS 316.117.

30 amounts allowable as payment of tax under ORS 316.187 (withholding), ORS 316.583 (estimated tax),
31 other tax prepayment amounts and other refundable credit amounts, exceeds the taxes imposed by
32 ORS chapters 314 and 316 for the tax year (reduced by any nonrefundable credits allowable for
33 purposes of ORS chapter 316 for the tax year), the amount of the excess shall be refunded to the
34 taxpayer as provided in ORS 316.502.

35 “(8)(a) The minimum amount of earned income a taxpayer must earn in order to be a qualified

44 the adjustment shall be rounded to the nearest multiple of \$50.

45 “(d) Notwithstanding paragraphs (a) to (c) of this subsection, the adjusted minimum amount of

1 earned income a taxpayer must earn may not exceed the amount an individual would earn if the

3 and in effect on January 1 of the calendar year in which begins the tax year of the taxpayer,
4 rounded to the next lower multiple of \$50.

5 **SECTION 23.** ORS 344.750 is amended to read:

27 **SECTION 24.** ORS 411.892 is amended to read:

28 “411.892. (1)(a) All employers, including public and private sector employers within the State of
29 Oregon, are eligible to participate in the JOBS Plus Program. The Department of Human Services
30 shall adopt by rule a method to disqualify employers from participating in the program. No employer

33 agency.

34 “(b) The maximum number of program participants that any employer is authorized to receive

In such event, the Department of Human Services shall reassess the needs of the participant and assign the participant to another JOBS Plus Program placement or another job opportunity and basic skills program component and, at the employer’s request, provide the employer with another participant.

16 the JOBS Plus Program may result in the participant’s removal, in accordance with rules adopted

25 types of persons. The types of persons for whom a minimum hourly wage rate may be set are limited
26 to persons with mental or physical disabilities or who are student-learners, as defined in ORS
27 653.070.

17 “(g) There are no serious outstanding violations of the provisions of a student-learner certificate

12 “(3) An employee shall begin to earn and accrue sick time on the first day of employment with

22 “(d) There is clear and convincing evidence that the mental disorder arose out of and in the
23 course of employment.

24 “(4) Death, disability or impairment of health of firefighters of any political division who have
25 completed five or more years of employment as firefighters, caused by any disease of the lungs or
26 respiratory tract, hypertension or cardiovascular-renal disease, and resulting from their employment
27 as firefighters is an ‘occupational disease.’ Any condition or impairment of health arising under this
28 subsection shall be presumed to result from a firefighter’s employment. However, any such fire-
29 fighter must have taken a physical examination upon becoming a firefighter, or subsequently thereto,
30 which failed to reveal any evidence of such condition or impairment of health which preexisted
31 employment. Denial of a claim for any condition or impairment of health arising under this sub-
32 section must be on the basis of clear and convincing medical evidence that the cause of the condi-
33 tion or impairment is unrelated to the firefighter’s employment.

34 “(5)(a) Death, disability or impairment of health of a nonvolunteer firefighter employed by a
35 political division or subdivision who has completed five or more years of employment as a nonvol-
36 unteer firefighter is an occupational disease if the death, disability or impairment of health:

37 “(A) Is caused by brain cancer, colon cancer, stomach cancer, testicular cancer, prostate cancer,
38 multiple myeloma, non-Hodgkin’s lymphoma, cancer of the throat or mouth, rectal cancer, breast
39 cancer or leukemia;

40 “(B) Results from the firefighter’s employment as a nonvolunteer firefighter; and

41 “(C) Is first diagnosed by a physician after July 1, 2009.

42 “(b) Any condition or impairment of health arising under this subsection is presumed to result
43 from the firefighter’s employment. Denial of a claim for any condition or impairment of health aris-
44 ing under this subsection must be on the basis of clear and convincing medical evidence that the
45 condition or impairment was not caused or contributed to in material part by the firefighter’s em-

1 ployment.

2 “(c) Notwithstanding paragraph (b) of this subsection, the presumption established under para-
3 graph (b) of this subsection may be rebutted by clear and convincing evidence that the use of to-
4 bacco by the nonvolunteer firefighter is the major contributing cause of the cancer.

5 “(d) The presumption established under paragraph (b) of this subsection does not apply to pro-
6 state cancer if the cancer is first diagnosed by a physician after the firefighter has reached the age
7 of 55. However, nothing in this paragraph affects the right of a firefighter to establish the
8 compensability of prostate cancer without benefit of the presumption.

9 “(e) The presumption established under paragraph (b) of this subsection does not apply to claims
10 filed more than 84 months following the termination of the nonvolunteer firefighter’s employment
11 as a nonvolunteer firefighter. However, nothing in this paragraph affects the right of a firefighter
12 to establish the compensability of the cancer without benefit of the presumption.

13 “(f) The presumption established under paragraph (b) of this subsection does not apply to vol-
14 unteer firefighters.

15 “(g) Nothing in this subsection affects the provisions of subsection (4) of this section.

16 “(h) For purposes of this subsection, ‘nonvolunteer firefighter’ means a firefighter who performs
17 firefighting services and receives salary, hourly wages equal to or greater than the state **mandated**
18 minimum wage, or other compensation except for room, board, lodging, housing, meals, stipends,
19 reimbursement for expenses or nominal payments for time and travel, regardless of whether any
20 such compensation is subject to federal, state or local taxation. ‘Nominal payments for time and
21 travel’ includes, but is not limited to, payments for on-call time or time spent responding to a call
22 or similar noncash benefits.

23 “(6) Notwithstanding ORS 656.027 (6), any city providing a disability and retirement system by
24 ordinance or charter for firefighters and police officers not subject to this chapter shall apply the
25 presumptions established under subsection (5) of this section when processing claims for firefighters
26 covered by the system.

27 “**SECTION 32.** ORS 657.325 is amended to read:

28 “657.325. (1) An individual shall be eligible to receive extended benefits with respect to any
29 week of unemployment in the individual’s eligibility period only if the Director of the Employment
30 Department finds that with respect to such week the individual:

31 “(a) Is an exhaustee;

32 “(b) Has satisfied the requirements of this chapter for the receipt of regular benefits that are
33 applicable to individuals claiming extended benefits, including not being subject to a disqualification
34 for the receipt of benefits; and

35 “(c) Has been paid wages by an employer or employers subject to the provisions of this chapter
36 during the base period of the individual’s applicable benefit year in an amount equal to or in excess
37 of 40 times the individual’s applicable weekly benefit amount.

38 “(2) The weekly extended benefit amount payable to an individual for a week of total unem-
39 ployment in the individual’s eligibility period shall be an amount equal to the weekly benefit amount
40 payable to the individual during the applicable benefit year.

41 “(3) The maximum extended benefit amount payable to any eligible individual with respect to
42 the applicable benefit year shall be:

43 “(a) 50 percent of the total amount of regular benefits which were payable to the individual
44 under this chapter in the applicable benefit year; or

45 “(b) With respect to weeks beginning in a high unemployment period, 80 percent of the total

1 amount of regular benefits which were payable to the individual under this chapter in the applicable
2 benefit year.

3 “(4) Notwithstanding subsection (1) of this section, extended benefits shall not be payable to any
4 individual for any week pursuant to an interstate claim filed in any other state under the interstate
5 benefit payment plan if an extended benefit period is not in effect for such week in such other state.

6 “(5) The provisions of subsection (4) of this section shall not apply with respect to the first two
7 weeks for which extended benefits would otherwise be payable to an individual pursuant to an
8 interstate claim filed under the interstate benefit payment plan.

9 “(6) Notwithstanding the provisions of subsections (1) to (5) and (12) of this section, an individ-
10 ual shall be ineligible for payment of extended benefits for any week of unemployment in the
11 individual’s eligibility period if the director finds that during such week:

12 “(a) The individual failed to accept any offer of suitable work or failed to apply for any suitable
13 work, as defined under subsection (8) of this section, to which the individual was referred by the
14 director; or

15 “(b) The individual failed to actively engage in seeking work as prescribed under subsection (10)
16 of this section.

17 “(7) Any individual who has been found ineligible for extended benefits by reason of the pro-
18 visions in subsection (6) of this section shall also be denied benefits beginning with the first day of
19 the week following the week in which such failure occurred and until the individual has been em-
20 ployed in each of four subsequent weeks, whether or not consecutive, and has earned remuneration
21 equal to not less than four times the extended weekly benefit amount.

22 “(8)(a) For purposes of this section, the term ‘suitable work’ means, with respect to any indi-
23 vidual, any work which is within such individual’s capabilities, provided, however:

24 “(A) That the gross average weekly remuneration payable for the work must exceed the sum
25 of the individual’s weekly benefit amount and the amount, if any, of supplemental unemployment
26 benefits, as defined in section 501(c)(17)(D) of the Internal Revenue Code, payable to such individual
27 for such week; and

28 “(B) The work must pay wages which equal or exceed the higher of the state [or] **mandated**
29 **minimum wage, the** local minimum wage or the minimum wage provided by section 6 (a)(1) of the
30 Fair Labor Standards Act of 1938, without regard to any exemption;

31 “(b) No individual shall be denied extended benefits for failure to accept an offer of or referral
32 to any job which meets the definition of suitability as described herein if:

33 “(A) The position was not offered to such individual in writing or was not listed with the Em-
34 ployment Department; or

35 “(B) Such failure could not result in a denial of benefits under the definition of suitable work
36 for regular benefit claimants pursuant to ORS 657.190 to the extent that the criteria of suitability
37 are not inconsistent with the provisions of this section; or

38 “(C) The individual furnishes satisfactory evidence to the director that the individual’s prospects
39 for obtaining work in the individual’s customary occupation within a reasonably short period are
40 good. If such evidence is deemed satisfactory for this purpose, the determination of whether any
41 work is suitable with respect to such individual shall be made in accordance with the definition of
42 suitable work in ORS 657.190 without regard to the definition specified in this subsection.

43 “(9) Notwithstanding the provisions of subsection (8) of this section to the contrary, no work
44 shall be deemed to be suitable work for an individual which does not accord with the labor standard
45 provisions required by section 3304(a)(5) of the Internal Revenue Code and as set forth in ORS

1 657.195.

2 “(10) For the purposes of subsection (6)(b) of this section, an individual shall be treated as ac-
3 tively engaged in seeking work during any week if:

4 “(a) The individual has engaged in a systematic and sustained effort to obtain work during such
5 week; and

6 “(b) The individual furnishes tangible evidence of engaging in such effort during such week.

7 “(11) The Employment Department shall refer any claimant entitled to extended benefits to any
8 suitable work which meets the criteria prescribed in subsection (8) of this section.

9 “(12) An individual shall not be eligible to receive extended benefits under this section if the
10 individual has been disqualified for regular or extended benefits under ORS 657.176 (2) unless the
11 individual has satisfied the disqualification as provided in ORS 657.176 (2).

12 “(13) Subsections (6) to (11) of this section shall not apply to weeks of unemployment beginning
13 after March 6, 1993, and before January 1, 1995.

14 “**SECTION 33.** ORS 660.142 is amended to read:

15 “660.142. (1) A training agent may not pay an apprentice at a rate less than that obtained by
16 applying the schedule, set forth in the applicable standards, at the apprentice’s level of apprentice-
17 ship, to the journeyworker hourly rate of wage currently in effect for journeyworkers in the occu-
18 pation for which the apprentice is being trained, as determined by the appropriate local joint
19 committee.

20 “(2) The journeyworker hourly wage rate shall be the average hourly wage currently being paid
21 by the training agents participating in a program to their skilled workers, that is, to those employ-
22 ees with demonstrated knowledge, experience and proficiency in that trade or occupation who are
23 currently performing the type of work for which the apprentice is to be trained. Upon receipt of a
24 committee’s determination of its current journeyworker hourly rate of wage, the State Director of
25 Apprenticeship and Training shall cause notice of the determination to be promptly mailed to all
26 apprentices and training agents participating in the program. The determination shall be in effect
27 from the date set forth in the determination or, lacking such date, from the first of the month fol-
28 lowing the mailing of the determination. However, neither the wage determination nor the effective
29 date alters the terms or effect of an existing collective bargaining agreement.

30 “(3) If a higher journeyworker hourly wage rate is prescribed by federal or state law for work
31 on a particular project, the higher rate is controlling for purposes of determining apprentice wages
32 applicable to that particular project.

33 “(4) Nothing stated in ORS 660.002 to 660.210 shall be construed to supersede the minimum wage
34 or overtime provisions of ORS chapters 652 and 653, or the rules adopted under ORS chapter 652
35 or 653. Anything to the contrary notwithstanding, the entry wage (that wage derived by applying
36 the lowest percentage on the schedule to the current journeyworker hourly wage rate) may not be
37 less than the federal or state **mandated** minimum wage rate, whichever is higher.

38 “(5) The State Apprenticeship and Training Council may make such exceptions to the apprentice
39 wage schedule or journeyworker hourly wage rate, and to the minimum numeric ratio of
40 journeyworkers to apprentices, as it deems necessary or advisable to further the operation of ap-
41 prenticeship and training programs in Department of Corrections and Oregon Youth Authority in-
42 stitutions.

43 “**SECTION 34.** This 2016 Act shall be submitted to the people for their approval or re-
44 jection at the next regular general election held throughout the state.”.
