Work Session

HB 2149

Requires pharmacy services administrative organizations operating in this state to be licensed by the Department of Consumer and Business Services and creates rules for licensing requirements.

HB 3212

Creates additional rules and requirements for pharmacy benefit managers and a policy or certificate of health insurance or other contract providing for the reimbursement of the cost of a prescription drug.

HB 3226

Includes pharmacy services administrative organizations within the definition of pharmacies for the purpose of ensuring that pharmacy benefit managers are subject to laws regulating their activities even if their contracts are with pharmacy services administrative organizations.

HB 2365 **

**Subsequent Referral(s) to Revenue

Adds mental health professionals, naturopathic physicians, pharmacists, medical laboratory scientists and medical laboratory technicians to the types of providers eligible for the tax credit allowed to rural medical care providers.

HB 2357

Enacts the interstate Occupational Therapy Licensure Compact.

HB 2554 **

**Subsequent Referral(s) to Ways and Means

Enacts the interstate Social Work Licensure Compact.

HB 2676 **

**Subsequent Referral(s) to Ways and Means

Enacts the interstate Dentist and Dental Hygienist Compact.

HB 3060

Enacts the PA Licensure Compact.

HB 3339

Enacts the Psychology Interjurisdictional Compact.

AGENDA (cont.)

April 1, 2025

- HB 2292
Requires health benefit plans and medical assistance managed plans to provide coverage with no cost-sharing for additional treatment for human immunodeficiency virus and prohibits requiring prior authorization.
- HB 2385
Makes it an unlawful practice for drug manufacturers to interfere directly or indirectly with a pharmacy or drug outlet acquiring 340B drugs, delivering 340B drugs to certain health care providers or dispensing 340B drugs.
- HB 2591 ** **Subsequent Referral(s) to Revenue
Establishes an income tax credit for physicians who practice anesthesiology and for certified registered nurse anesthetists who do not qualify for rural health care provider tax credits.
- HB 2594
Requires a dental laboratory to register with the Health Licensing Office.
- HB 2597 ** **Subsequent Referral(s) to Ways and Means
Directs the Oregon Health Authority and coordinated care organizations to reimburse dental care organizations for dental services provided to medical assistance recipients at a rate no less than 59.
- HB 2685 ** **Subsequent Referral(s) to Ways and Means
Directs the Oregon Health Authority to provide information on the screening protocol for cytomegalovirus to hospitals and birthing centers.
- HB 2690 ** **Subsequent Referral(s) to Ways and Means
Establishes the Health Insurance Mandate Review Advisory Committee, staffed by the Legislative Policy and Research Director, to meet during interims between sessions of the Legislative Assembly to review a specified number of proposed measures sponsored by or submitted to the interim committees of the Legislative Assembly related to health if the measure requires health insurance policies to reimburse specified health care providers or to reimburse the cost of a specific service.
- HB 2942
Requires the Oregon Health Authority and coordinated care organizations to reimburse pharmacies and pharmacists in the same manner as other health care providers for certain services related to HIV treatment.
- HB 2943 ** **Subsequent Referral(s) to Ways and Means
Directs a hospital to conduct HIV and syphilis screening when an individual undergoes a blood test or analysis as part of medical care received within an emergency department, unless the individual declines a test.
- HB 2955 ** **Subsequent Referral(s) to Ways and Means
Requires medical assistance to include continuous glucose monitors for specified recipients of medical assistance.
- HB 3046
Clarifies that a pharmacist may prescribe, dispense and administer medications for treatment of opioid use disorder.
- HB 3082
Requires prescription drug manufacturers to report to the Department of Consumer and Business Services the total number of consumers to which the manufacturer offered a patient assistance program who participated in the program, notwithstanding any increase in the price of the prescription drug for which the manufacturer offered the program.

AGENDA (cont.)
April 1, 2025

HB 3086

Requires the Public Employees' Benefit Board to count payments made by or on behalf of an enrollee for the cost of certain prescription drugs when calculating the enrollee's contribution to an out-of-pocket maximum, deductible, copayment, coinsurance or other required cost-sharing for the drugs.

HB 3092

Requires the Oregon Educators' Benefit Board to count payments made by or on behalf of an enrollee for the cost of certain prescription drugs when calculating the enrollee's contribution to an out-of-pocket maximum, deductible, copayment, coinsurance or other required cost-sharing for the drugs.

HB 3146 **

**Subsequent Referral(s) to Ways and Means

Directs the Oregon Health Authority to administer a pilot program to provide low-barrier emergency housing for houseless or unsafely housed individuals on waiting lists for residential substance use disorder treatment or withdrawal management programs.

HB 3192 **

**Subsequent Referral(s) to Ways and Means

Appropriates moneys from the General Fund to the Oregon Health Authority for the purpose of screening newborns for five specific diseases under the Northwest Regional Newborn Bloodspot Screening Program.

HB 3211

Requires the Oregon Health Authority to develop and make available a nonopioid directive form.

HB 3214

Expands the definition of "debilitating medical condition" for the medical use of marijuana.

HB 3221 **

**Subsequent Referral(s) to Ways and Means

Requires a person or government unit that is establishing or operating an urgent care center in this state to register the urgent care center with the Oregon Health Authority.

HB 3229 **

**Subsequent Referral(s) to Ways and Means

Directs the Oregon Health Authority to expedite the process for enrolling providers in the medical assistance program and study the feasibility of developing and implementing an automated, online tool for provider enrollment applications.

HB 3243

Prohibits balance billing for ambulance ground transportation services and creates rules for health benefit plan coverage of ambulance services.

HB 3245

Directs the Oregon Health Authority to develop a methodology for calculating a coordinated care organization's global budget.

HB 3326

Requires the Oregon Health Authority to study barriers to accessing dental care for seniors.

HB 3439

Requires individual and group health benefit plans and benefit plans offered by the Public Employees' Benefit Board and the Oregon Educators Benefit Board to reimburse services provided by naturopathic physicians within the scope of their practice if the services are reimbursed when provided by licensed physicians, physician associates or nurse practitioners.

HB 3554 **

**Subsequent Referral(s) to Ways and Means

Directs the Oregon Health Authority to establish a primary care provider loan repayment program to provide loan repayment subsidies to specified primary care providers.

AGENDA (cont.)

April 1, 2025

HB 3727

Allows a physician or physician associate to use telemedicine to practice medicine or provide health care services under specified circumstances to a patient located out of state.

HB 3817

Directs the Oregon Health Authority in collaboration with the Department of Veterans' Affairs to establish a process through which a certain individual may consume ibogaine for a specified purpose.

HB 2023

Establishes certain health insurance coverage for applied behavior analysis therapy for certain intellectual and developmental disability diagnoses with the same requirements for coverage as autism spectrum disorder diagnoses.

HB 3042

Specifies additional reasons for which the Oregon Board of Naturopathic Medicine may impose discipline.

Public Hearing and Possible Work Session

HB 3942

Allows a health care facility to apply for an expedited reissuance of a license if the health care facility was previously licensed within the last 24 months, closed voluntarily or due to financial hardship and will resume operations with no significant changes.

Please Note: Work Session removed for HB 2239.
