VISION, MISSION & VALUES

On July 1, 2022, OEM became an independent agency

Our vision is an established, equitable culture of preparedness that empowers Oregon’s whole community to thrive in times of crisis.

Our mission is to lead collaborative statewide efforts, inclusive of all partners and the communities we serve, to ensure the capability to get help in an emergency and to protect, mitigate, prepare for, respond to, and recover from emergencies or disasters regardless of cause.

Our Values

Advocacy | Collaboration | Innovation | Leadership | Service

GOALS & ROLES

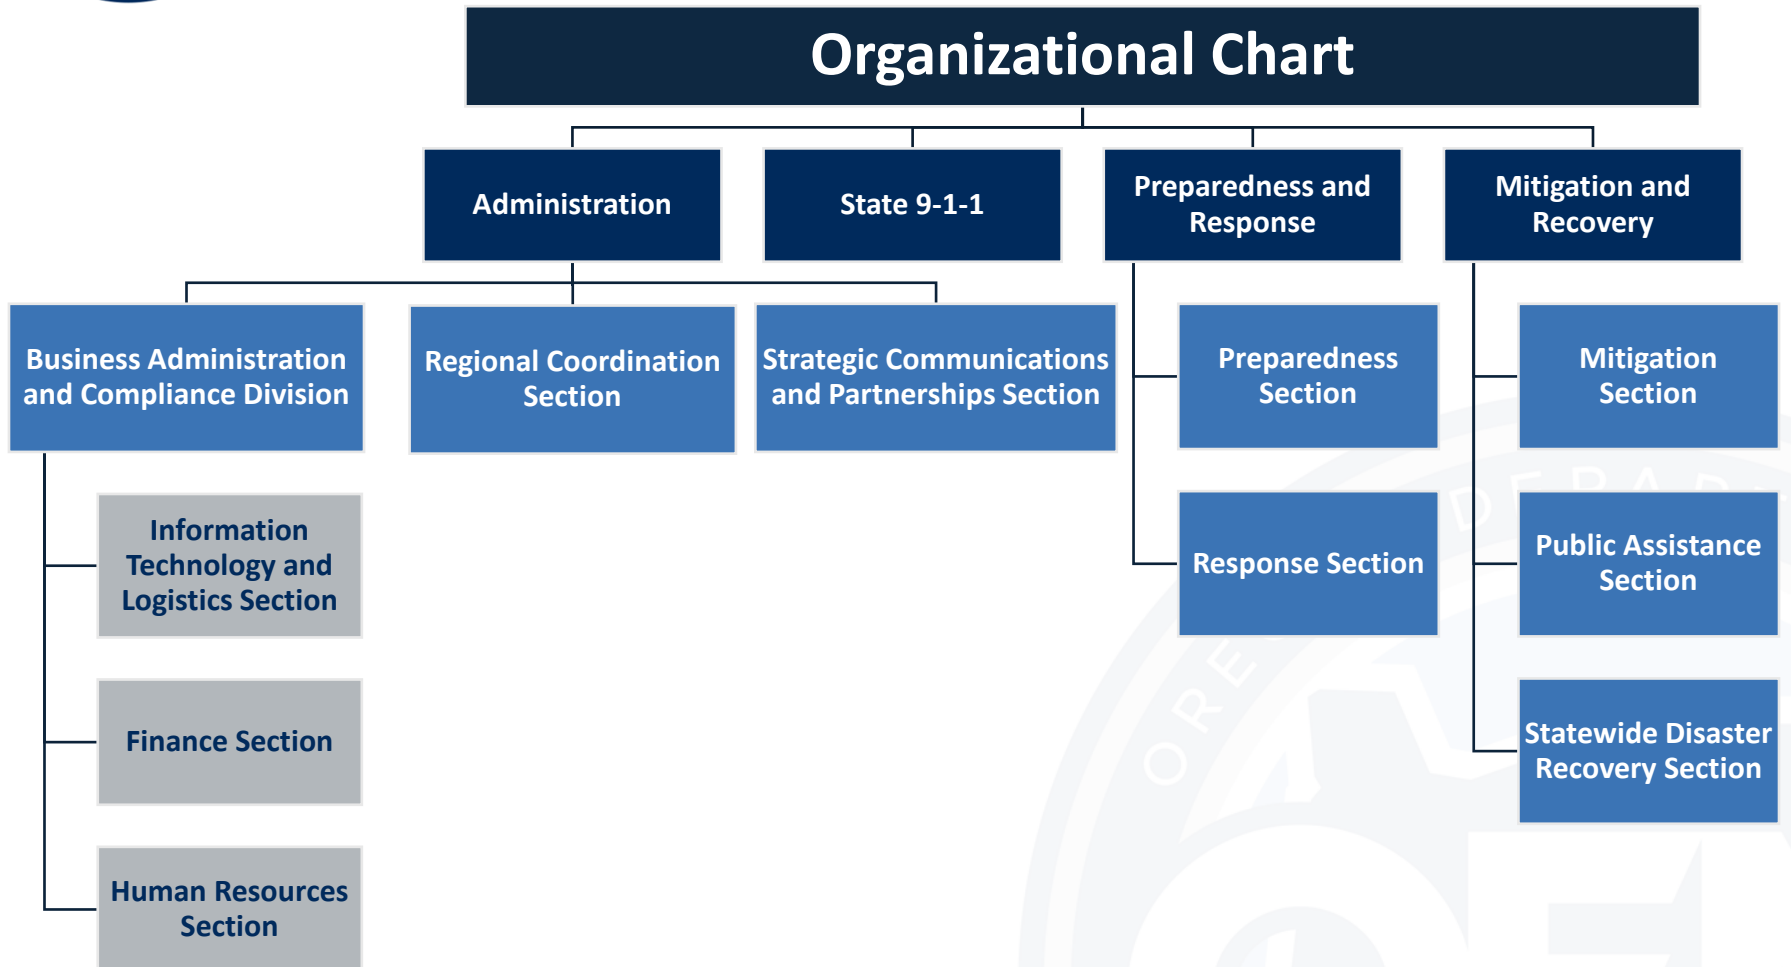

OEM will transform into an **accountable** organization that values **equity and customer service** supported by modern integrated systems and a **ready and resilient** workforce.

PUBLIC ASSISTANCE AND OPEN INCIDENTS

FEMA Public Assistance (PA) is supplementary financial assistance for state, Tribal, local governments (and certain private nonprofits) that helps recover the cost of disaster response and recovery.

Oregon has had 8 Major disaster declarations in the past 5 years with an estimated cost of \$2.8 billion in recovery. Prior to 2020, Oregon disaster costs ran about \$10-30 million.

FEMA GRANT MONEY

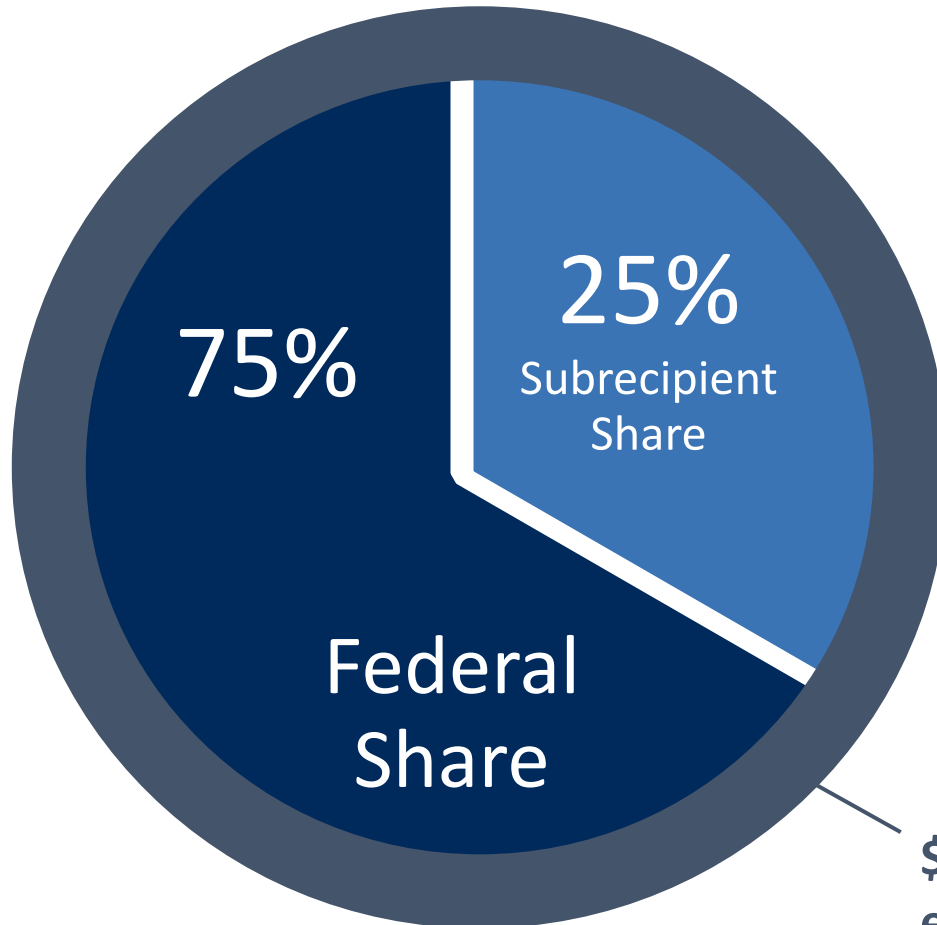

FEMA \$\$ distribution is based on Stafford Act, 44 CFR 200 CFR statutes.

OEM

Tribal, state and local governments, nonprofits, and special districts

PUBLIC ASSISTANCE AND OPEN INCIDENTS

Currently, there are an estimated 952 subrecipients with over 3,800 projects across 10 open disasters.

Cost share varies from 75%-100% Federal share depending on event. For example, DR4499 Covid-19 and DR4562 2020 wildfires have 100% and 90% cost share periods.

\$2.9 billion in estimated disaster cost

MAJOR DISASTER DECLARATIONS 2019-25
