State Ramp

Ben Gherezgiher
State Chief Information Security Officer

Joint Committee on Information
Management and Technology

March 14, 2025

▶ Cloud vendor security verification model

▶ Modeled on FedRAMP

▶ Based on the National Institute of Standards and Technology (NIST) publication 800-53

▶ Allows vendors to verify once and serve many

StateRAMP

Government Adoption Tiers		
Accepting indicates the state allows a StateRAMP assessment to satisfy a business requirement in addition to other assessments.	**Preferring** indicates the state offers preference or additional evaluation points for StateRAMP assessed products.	**Requiring** indicates the state fully adopts StateRAMP from solicitation through award and contract management

Thank you
