To: Ways and Means Full Committee  
From: Capital Construction Subcommittee  
Carrier: Representative Gomberg

HB 5050 makes changes to previously approved bond authorizations. Specifically, the measure:

- Increases Article XI-G bond authority for the Higher Education Coordinating Commission by \$2.5 million for Klamath Community College’s Childcare Resource Learning Center; and
- Expands the scope of the Oregon Military Department’s Washington County Readiness Center project to include the purchase of land. There is no change to the total amount of bonds authorized for this project.

The Capital Construction Subcommittee recommends HB 5050 be amended by the –1 amendment and be reported out do pass, as amended.
